

In making. We had some beautiful this year
 and the one he sent you were lovely when they
 left him. He wanted to put in another or a
 present from himself but couldn't get it packed
 in time. There are so many interruptions when
 there is only one man to do everything. Harry
 works very hard, but if he gets him well. And
 year he got 35.740 cents a pound in making
 this year only 15 and people are not spending
 on luxuries as they have other years. Perhaps
 it is a good thing. Mr. H. M. Cochrane spoke
 on Wednesday's announcement of the women's
 Canadian Club. He was really very interesting and

Dr. says he can go up one step
 at a time. Peck is back at
 school but Jean has been
 added to the hospital here! She
 dropped at my feet in a faint
 last Thursday when she
 came he said she had fainted
 there. She is still in bed but is
 better. Are you not thankful
 you have not a family of
 children added to your other
 trials? Still, when all ends
 well, it really only makes us
 happier together. Thank goodness
 I am well and so is Harry.
 I hope your dinner was a
 great success. It was good
 of you to give Harry the order
