Water Scarcity Booms Business for Well Drillers

Enormous increase in immigration, scarcity of pure water and alarming spread of TYPHOID FEVER are booming the well-drilling business. Entire populations demand pure well water.

Well drillers are making from \$25.00 to \$50.00 a day clear profit the year around. Magnificent money-making possibilities for live men everywhere who want to work—men who have a reasonable amount of money to invest in machinery—men who can grasp the exceptional opportunity for engaging in this business NOW—a business vital to the country's prosperity and growth.

Immigration Compels Immediate Action!

Hundreds of thousands of families are settling throughout Canada, and every household requires a pure supply of fresh water. Crooks, lakes, ponds and shallow wells, now contaminated in every locality, are being condemned by health authorities. And the drilled well is the people's only alternative. Today, there is ten times more drilling to be done than men to do it. Get into the profitable field, simplify the work with

Armstrong Well-Drilling Machinery
