We hear that factories are beginning to open up now, and in a few days mod doubt first abigments of new cheese will arrive on abigments of new cheese will arrive on abigments of new cheese will arrive the abigments of new cheese in the start there is no doubt that the present, but there is no doubt that the comparison of the cheese in order that the local trade may be supplied with the class of cheese it requires, but after that the factories have been in the habit of making while scheese and continue to do so an

of encess it requires, but after that the fractories have been in the habit of making white cheese, and coulting to do so as and there is are preferred in England, and there is are preferred in England of May this class of goods will command a premium over others. The market for butter is broken, and prices this week end are down to about 36, and finest Eastern Townships butter, fresh made, is selling to day at 36 a 1b to a set increasing rapidly and will concern and the set increasing rapidly and will concern and the set increasing rapidly and will concern a set of the set of the local further substantial break in prices, and next week about sec us down to about 36. The break was due to the importa-tion of several car-loads of American creasmery, which did not meet with a rapid sair, and holders were obliged to est prices in order to force sales.

GOOD PRICES AT SLAGHT'S HOLSTEIN SALE

Buyers, though comparatively few in Buyers, though comparatively few in number, meant busines at Wm. Slaght's sale at Bealton, Norfolk Co., Ont., on Thursday last, and the good ones all brought good prices. Considering the year, which is generally considered to be not too good, the prices realised were at Amongers lastery.

most satisfactory. Amongst the huyers present were: Jas. Rettie, A. E. Hubet and Isaac Bush, of Norwich; H. R. Nixon and 60n, of 8t, George: Munro and Lawiese, of Thorold; Lloyd Taylor, Southari, M. George, of Crompton, and a number of others from a distance, and a fair number of load people, who, as may be noted, did not huy-the buyers with the good prices com-ing from a distance.

ing from a distance. The top cow at the sale was Johanna "The top a dutation and was a bolants peech sold at \$25 is of Murro and Lawless who by the way bought heavily of the good stuff. It. N.
