COGENT REASONS WHY

CHATHAM

WAGON

Adopted by the Government of the Dominion of Canada as the **STANDARD
WAGON**, should command your preference:

The intrinsic cost and value of it is at least \$10 more than any other wagon made in Canada, and any
unprejudiced practical man will tell you so, and the thousands who now have them in use say so, because
it is not only made from the best, carefully selected and thoroughly seasoned timber and best of iron, but
the skeins used, made only by us, are superior to any skeins made or used in Canada, and are constructed
specially to receive our Climax Truss Rod, which doubles the strength of the axle; the boxing of the
hubs are pressed, not wedged in; a guarantee for a year accompanies each wagon, and notwithstanding
this additional cost and superiority, the Chatham Wagon can be purchased at no greater price than is
charged for inferior wagons. Bear in mind it is the running gear that carries the load, and no amount
of fancy painting on the box will make an easy running and great carrier of a poorly constructed wagon.

Liberal Terms to Parties buying in Carload Lots. Correspondence solicited
