HOLLOWAY'S PILLS.

CURE OF ASTHMA.
Extract of a letter from Mr. Benjamin Mackie, a respectable Quaker, dated Greenham, near Loughall, Ireland Sept 11th, 1840.
RESPECTED FRIEND.—Thy excellent Pills have effectually cured me of an Asthma, which afflicted me for three years to such an extent that I was obliged to walk any room at night for air, afraid of being suffocated if I went to bed by cough and phlegm. Besides taking thy Pills I rubbed plenty of thy Ointment into my chest night and morning.
(Signed)
BENJAMIN MACKIE.

CURE OF TYPHUS FEVER, WHEN SUPPOSED TO BE AT THE POINT OF DEATH.
A respectable female in the neighbourhood of Loughall, was attacked with Typhus Fever. She lay for five days without having tasted any description of food. She was given over by the Surgeon, and preparations were made for her demise. Mr. Benjamin Mackie, the Quaker, whose case is referred to above, heard of the circumstance, and knowing the immense benefit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the same number was continued night and morning for three days, and in a very short time she was completely cured.
N. B.—From advice just received, it appears that Colonel Deer, who is with his Regiment in India, the 21st Fusiliers, cured himself of a very bad attack of Typhus by these celebrated Pills. There is no doubt that any Fever, however malignant, may be cured by taking night and morning, copious doses of this fine medicine. The patient should be induced to drink plentifully of linseed tea, or barley water.

CURE OF DROPPY IN THE CHEST.
Extract of a letter from J. S. Mundy, Esq., dated Kensington, near Oxford, December 2nd, 1848.
To Professor Holloway.
SIR,—My shepherd was for some time afflicted with water on the chest, when I heard of it I immediately applied to him to try your Pills, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pills and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities.

THE EARL OF ABERBROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a letter from his Lordship, dated Villa Mesina, Leghorn, 21st February, 1845.
To Professor Holloway.
SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my liver and stomach, which all the most eminent of the Faculty at home and all over the Continent, had not been able to effect; nay, I not even the waters of Carls, Bad and Barlebach. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either.
Your most obliged and obedient servant.
(Signed)
ALDBOROUGH.

CURE OF A DEBILITATED STOMACH.

Mr. Mate, a storekeeper, of Gendesa, New South Wales, had been for some time in a most delicate state of health, his constitution was debilitated that his death was shortly looked upon by himself and friends as certain; but as a forlorn hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perfect health and strength, to the surprise of all who knew him. He considered his cure an extraordinary that he, in gratitude, sent it out for publication to the Sydney Morning Herald, in which paper it appeared on the 2nd and 3rd of January, 1848. A few doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.

These celebrated Pills are wonderfully efficacious in the following complaints:

Ague	Female Irregularities	Rheumatism
Asthma	Fever of all kinds	Sciatica or King's evil
Bilious Complaints	Fits	Stone and Gravel
Bleeding on the skin	Gout	Secondary Symp-toms
Bowel Complaints	Headaches	Tic-doloureux

Constipation of bowels	Inflammation	Ulcers
Consumption	Jaundice	Venerical Affections
Debility	Liver Complaints	Worms all kinds

She is desirous that those who are afflicted with what, in many cases of that disease, is considered incurable, and that all who are suffering from its attack, may have the benefit of the WONDERFUL POWER OF HER MEDICINE, and removing all diseases of ERYSIPELAS or SALT RHEUM.

CERTIFICATES
Of persons who were suffering from severe attack of Erysipelas, who had tried the many remedies which are usually prescribed from which they found no relief; but on applying Mrs. BERTHAUX'S MEDICINE were effectually cured.

This is to certify, that I have been afflicted with the Erysipelas, or the Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them. I employed several phys. I applied Mrs. BERTHAUX'S MEDICINE for a short time &c. &c. was soon cured of every vestige of the disease. The relief was much more than tongue can express. After three years from the time when I used the Medicine, was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptoms of Erysipelas or Salt Rheum. I therefore heartily recommend it to all who are similarly afflicted, as a speedy and effectual remedy.
August 5, 1847.
ANN S. WHELOCK, NICTEAU.

This is to certify that my wife was attacked with Erysipelas in the face. I applied Mrs. BERTHAUX'S MEDICINE, and the first application stopped its progress; and, continuing to use the medicine, in less than a week my wife was quite well.
May 1st, 1848.
ELIAS GRIMES, Wilmet.

Wilmet, May 15, 1850.
This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he scarcely slept for five successive nights. I then procured some of Mrs. BERTHAUX'S MEDICINE, and applied it, and in the course of one week, the boy was well, and I verily believe if I had not used the above Medicine, that he would have lost his life.
Sworn before me,
THOMAS C. WHELOCK, Esq.
May 16, 1850.

Annapolis, January 3rd, 1851.
This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was little hope of life. Medical aid was called, but the word was, that all was over as the dreadful disease had overpowered the brain, and she was rapidly sinking. In this extremity I had accidentally heard of Mrs. BERTHAUX'S MEDICINE. I went and got a small phial, and proceeded to apply it as directed; and almost instantaneously the disease was arrested from further progress, and in a few days, the swelling was gone, and her natural colour returned, and she is now alive and well.

TO THE INTENDING EMIGRANTS FROM NOVA SCOTIA.
THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent Land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the country. By the success of many Native of New Brunswick and Nova Scotia who have settled in many Townships;—and by the individual progress made by several thousands of people who have taken Land from the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The Plan of 15th Cash and Balance in Instalments.
The Rents, payable 1st February each Year, are about the Interest, at six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required down; whilst upon the others, according to locality, One, Two, or Three Years' Rent must be paid in advance. But these payments will free the Settler from further Cattle, until the Second, Third or Fourth year of his Term of Lease.
The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payment of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease.
The Lessee has thus guaranteed to him the entire benefit of his improvements and increased value of the Land, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.
A Discount of Two per Cent., will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the Settler's Savings Bank Account.
The direct trade now opening up between Upper Canada and Halifax presents facilities for cheap Passage to the St. Lawrence to the upper Lakes, in the vicinity of valuable lands open for settlement.
Printed Papers containing full and detailed particulars, of whose permission the Company avail themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally.
Commissioners of the Canada Company's Office.

CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case was utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of
COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing, and chest, and this, after the prescriptions of the very best medical men and the lavations of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE
persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.
CAUTION.—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the bottle. All orders must be addressed to Constock & Brother, No. 9 John Street, New York.

Sole wholesale for the Proprietor in Nova Scotia at Morrison's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell, and by one agent in every town in N. S. and N. B.

A PEEP AT UNCLE SAM'S FARM, WORKSHOP, FISHERIES, &c.
BY P. TOCQUE,
Illustrated with Engravings, price 5s., dedicated by permission to His Excellency Sir John Gaspard Le Marchant, Governor of Newfoundland.

Opinions of the Press,
Mr. Tocque is a "Newfoundlander" but knows more of us Yankees than most of us know of ourselves. His book is quite remarkable, it is full of information, and the very information needed to afford a just estimate of the country its statistics are abundant, but they are woven into sketches, personal and general, in such a manner as to relieve them of dullness. It treats of our manufactures, shipping, navy, public men, slavery, religion, and we know not what it omits. It ought to be a reliable volume.—Boston, Zion's Herald, May 20th.
Such is the quaint title of a neat duodecimo volume, which we find upon our table. It is just what it professes to be, a peep at the Massachusetts corner of Uncle Sam's great homestead by a citizen of Newfoundland. Mr. Tocque appears to have travelled with his eyes open, and between the covers of his book the reader can find a large amount of valuable and entertaining reading matter.—Worcester Daily Spy, May 20th.
