To Make Home Pretty and Attractive

Is the wish of every lady. Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms. We make these in Moorish fret work, Japanese fret work, Scroll or Grille work, all combinations of the different styles and makes, finished in any kind of wood desired. Labatt's India Pale Ale

Is an excellent nutrient tonic. Physicians desiring to prescribe will hardly find anything superior to this.—Health Journal.

"We find that the Ale uniformly well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste likewise was always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—Superintendent of large United States hospital.

The Linens

We sell are of the highest class manufacture—bleached according to the old-fashioned plan. They are slowly and safely bleached on the grass by the natural process. They are guaranteed to be absolutely pure linen, consequently will wear much longer than ordinary so-called linens.

Flax fibre grows the same now as it did three thousand years ago, when the Pharaohs were clothed in fine linen. It only requires to be fairly treated with bleaching to be what it always was, and herein lies the difference between the old-fashioned and most of the modern linens. The modern system of chemical bleaching though much cheaper and more expeditious, weakens the fibre and ruins the wearing qualities of the linens, at the same time destroying the beautiful lustre natural to flax when properly treated.
