RAMSAY'S FARM CREAM SODAS

There is always one by which the rest are measured. In the Soda biscuit world that one is Ramsay's Farm Cream Sodas.

Ask the women customers of your store who have used Ramsay's (and are invariably buying Ramsay's Farm Cream Sodas yet) if there is another Soda biscuit that has that delicious creamy taste, that satisfying daintiness unknown to other brands.

Every item of known worth in the making of Sodas is part of the Ramsay policy in the manufacture of Farm Cream Sodas. Made in a factory of modern equipment and perfect light.
