RACE WOULD BE MERRY ONE

Mauretania and Vaterland to Speed Across the Atlantic.

(By Special Wire to The Courier)

MONTREAL, May 2.—A London cable to the Gazette says the fact that the new Hamburg-American liner Vaterland and the Mauretania will sail from New York on May 26 is causing great interest in Germany, where, it is said, a transatlantic race is being talked of and heavy wagers are being laid on the German vessel.

The management of both the Hamburg-American and Comand lines deny any intention of racing; nevertheless, the public will be interested in the comparison of speeds shown by the

two liners. Englishmen are inclined to scoff at the idea of the Vaterland capturing the blue ribbon of the Atlantic from the Mauretania, pointing out the fact that the latter has registered 26 knots, whereas the Vaterland is understood to be a 23-knot steamer.

Lamb was the only meat that took a decided rise, going from 18c to 22c a pound. Chickens sold at 75c and \$1 each. There was an abundance of potatoes at \$1 and \$1.10 a bag. The following are to-day's quotations:

GET READY; AN ELECTION ON JUNE 29

Sir James Whitney's Government Will Go to the People.

It was learned that evening that the Ontario Government has practically settled upon June 29 as the date of the coming provincial election, and that the writ will be issued in the course of a few days. This date, falling upon the last Monday in the month, is considered as the most suitable for polling.

It was also suggested from a reliable quarter that Sir James Whitney might appear at least once upon the platform during the campaign. His presence in the house yesterday during prorogation would tend to substantiate this opinion. In the meantime no definite government announcement is forthcoming.

CHINESE MURDER STIRS UP CITY

St. Louis Has a Crime of Most Unusual Nature.

(By Special Wire to The Courier) ST. LOUIS, May 2.—The local Chinese quarter, extending over an area of five blocks in downtown business section, was excited to-day as a result of the murder of Hwa Lin Shuck, a Chinese immigration officer of the United States, last night, and the subsequent prediction by Lee Bing "mayor of the alley" that the shots which killed Shuck would inaugurate a long war in St. Louis, Chicago and New York. More than two score denizens of the alley including the "mayor" were taken by the authorities. The authorities are seeking an undersized Chinaman, said by leaders to have been sent here from Chicago to work in the arm. Shuck out of the way. A bunch of roses handed to him in the house from which he had just departed, is believed by the police to have identified the immigration agent to his slayer. Shuck was killed as he stepped from the alley with the flowers under his arm. He was shot four times and stabbed.

When the police reached the scene the "mayor" of the alley, bending over the body with a flashlight in his hand, was the only Chinaman in sight. The motive of the murder, as advanced by Bing, was the desire of New York to put Shuck out of the way. A bunch of roses handed to him in the house from which he had just departed, is believed by the police to have identified the immigration agent to his slayer. Shuck was killed as he stepped from the alley with the flowers under his arm. He was shot four times and stabbed.
