It is expected that Canada will have contributed two thousand recruits at least for the royal navy, by the end of the year, under the arrangement announced by Hon. J. D. Hazen on Wednesday in Toronto. The plan agreed upon between the Canadian government and the admiralty provides for a maximum of five thousand men. They will be recruited in Canada and sent to England for the major part of their training.

Comments of Appreciation with Regard Thereto.

The Kitchener News-Record has me very complimentary things to ay with regard to the recent visit f a deputation from that place to Brantford and the Brantford Sanatorium. The paper in question devotes four columns to a description of the San. Following are some ex-

tracts: on Wednesday afternoon five members of the Sanatorium Board—Dr. J. F. Honsberger, J. A. Lang, E. D. Lang, E. W. Lamprey and W. V. Uttley—visited the Brant Tuberculosis Sanatorium at Brantford, in search of information which might be used in the management of city's hospital at Freeport.

Mr. J. Williamson, of the Brapt-ford Starch Company, a business friend of Mr. J. A. Lang and Chair-man of Brantford's Industrial Committee met the party at the depot and acted as host. He provided an automobile to convey the party to and from the Sanitorium, entertained them to supper at the Bodega The Women's Hospital Aid nesumed activities after two months of vacation, on Friday morning. THE MARKET

The fruit season is now only commencing to gain its own, and this morning fruit was predominant everywhere. Peaches, plums, grapes and apples were in abundance selling at fairly moderate prices. Tomatoes still continue plentiful, and corn was more in evidence than before this season, while eggs remain stationary at 32 cents per dozen, butter still continues to soar, and this morning reached the figure of 40 cents.

SOLDIER RETURNING
