

BEAUTIFUL BANNY, N. W. T.—I was induced to use your Barlock Blood Bitters for constipation and general debility and found it a complete cure which I take pleasure in recommending to all who may be thus afflicted.—James M. Carson, Bannock, N. W. T.

The next civil service examination all over Canada, takes place November 10th. Forms must be applied for before October 15th, and returned October 31st.

TRUE FAITH.—I have great faith in Burdock Blood Bitters as a blood purifier. I have taken three bottles for bad blood and find it a perfect cure. It is a grand medicine and I recommend it wherever I go.—Ida Sanderson, Toronto, Ont.

According to the August bank statement the people's deposits in the chartered banks amounted to \$14,084,029; last August they were \$13,952,014—a gain of over \$13,000,000.

HENRY G. JAMES.—Henry G. James of Winnipeg, Man., writes:—For several years I was troubled with pimples and irritations of the skin. After other remedies failed I used four bottles of Burdock Blood Bitters and since then I have been free from my complaints. B. B. will always occupy a place in my house.

"Count Mercier," says the Globe, "has complied with the request of the Lieutenant Governor for a Royal Commission." Yes, in the same sense that the dog which lands on the sidewalk from the impetus of a kick "complies with a request" to leave the house.

VICTORY AT VIVIAN.—In our family faithful work has been done by Fowler's Extract of Wild Strawberry as a sure and quick cure for diarrhoea, dysentery and all summer complaints. I can recommend it to all as a family friend, always true and faithful.—Mrs. W. Bishop, Vivian, Ont.

Rheumatism is caused by a poisonous acid in the blood and yields to Ayer's Pills. Many cases which seemed chronic and hopeless, have been completely cured by this medicine. It will cost but little to try what effect the Pills may have in your case. We predict success.

Mrs. GEORGE BENDLE.—Mrs. George Bendle of Galt, Ont., writes:—I can recommend Dr. Fowler's Extract of Wild Strawberry, for it is a sure cure for all summer complaints. We are never without it in the house. Fowler's Wild Strawberry. Price 35c.

"Thanks," said the guest to the colored man who brought his soup at last. "You have taken a great rest of my mind."

AUNT'S ADVICE.—My brother had a severe summer complaint about a year ago and no remedies seemed to relieve him. At last my aunt advised me to try Fowler's Extract of Wild Strawberry and before he had taken one bottle he was entirely cured.—Adeloid Crittendon, Baldwin, Ont.

Judge.—What led you to think the prisoner was a burglar? Officer.—Why his pockets were full of burglar alarms when I arrested him.

Queen Victoria has a remarkably fine head of hair for a lady of her age; but her son, the Prince of Wales, is quite bald. Had he used Ayer's Hair Vigor earlier in life, his head might, to-day have been as well covered as that of his royal mother. It's not too late yet.

An English army officer says that it has rained only twice in 26 years in Aden, and then only enough to lay the dust. The last time it rained there it was three years ago, after 26 years of drought.

Just how an alterative medicine cleanses the system is an open question; but Mrs. Ayer's Sarsaparilla does produce a radical change in the blood, is well attested on all sides. It is every where considered the best remedy for blood disorders.

Lady (to tramp) "This is the third time you have called here to day." Tramp—"It is true, madam; but I am sure you wouldn't want a man to get along with less than three meals a day."

The many remarkable cures of catarrh effected by the use of Ayer's Sarsaparilla is conclusive proof that this lacharme and dangerous disease is one of the blood, only needing such a searching and powerful alterative to thoroughly eradicate it.

If you want your boy to love you don't make him hoe potatoes in the back yard while a brass band is passing the house!

A Chinaman in San Francisco bought a wife on time, and has got himself into trouble by failure to pay the bill.

Captain John R. Hise of the schooner Lillian says, "I was suffering with inflammation of the chest, brought on by a cold at sea. Took a good supply of Ayer's Sarsaparilla, and it cured me. It has given me perfectly of lungs."

An Indianapolis man swore in court the other day; that he did not know his wife's name though they had lived happily together for 13 years.

WHEN THE HAIR

Shows signs of falling, begin at once the use of Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color to gray and faded hair, and renders it soft, pliant, and glossy.

A Rich Brown or even black. It will not soil the pillow, case nor a pocket-handkerchief, and is always agreeable. All the dandruff-giving preparations should be displaced at once by Ayer's Hair Vigor, and thousands who go around with heads looking like "the forest of pines" should hurry to the nearest drug store and purchase a bottle of the Vigor.

Ayer's Hair Vigor is excellent for the hair. It stimulates the growth, cures baldness, restores the natural color, cleanses the scalp, prevents dandruff, and in poor dressings. We know that Ayer's Hair Vigor differs from most hair tonics and similar preparations, in being perfectly harmless.—Promotional Housekeeping, by Eliza R. Parker.
