## Ladies' Fine Shoes

Everyone can't be a judge of leather and shoemaking. Women may be deceived by shoes without a reputation. Many shoes are fair to look upon, but when they're put to service their flimsiness shows forth. The one sure way to have shoes that are right is to buy those with the maker's name on every pair. We can show you the **J. D. King Ladies' Fine Shoes at \$2.50 and \$3.00**, known to all to be wearers and leaders in style.

## SATELLITE

Is C. C. I. Board any relation to XX lumber?

Wasn't it a shame to leave that little baby out in the rain?

The city telephone number of the C. C. I. Board should be 391.

Evidently that 201 Board should have three more city members.

Several of us are glad that baby wasn't left on our door step.

We all of us have our limitations and some of us have nothing else.

I was told that (Dr.) C stood for (Dr.) Childish.

The Tennis Club ought to get lots of recruits from among the Ping-Pong players.

I rather think we will all be willing to call it a misdeal and give the weatherman another opportunity to shuffle.

Queer things those telephones. When you have a kick coming you have to call a man up to call him down.

In the matter of the C. C. I. Board it isn't 2-naught-1, at all. It should be 6-not-3 as far as the city is concerned.

As soon as the Boers learned that two more Canadian contingents were coming, they jumped at Britain's peace terms.

I don't care whether Rogers swiped that buck-saw or not, but I would like to know what need a lawyer has for a wood cutter.

The lights went out at the drill shed last night and one stalwart soldier with a thrust suggested that a supply of fire-water be secured.

Getting into the clutches of some money lenders is worse than the bucket shop. There isn't so much of the leech about the bucket shop.

I see by the papers that the British soldiers in South Africa are getting ready for big drives. Wonder if they are going to play golf with the Boers for the balls.

A friend of mine told me that King Edward was a D. P. and, lest my profane associates might lead me astray, explaining that D. stood for Defender of the Faith.

I heard a member of Capt. Mowbray's company bragging that "C" company stood for crack company.

I would suggest that the Banner-News change the title of its youthful, yet doubtless ambitious and promising Little about Everything column to "A Little About the Satellite."

Those pills are not a purgative medicine and do not "weaken" as all purgatives do.

A lady is visiting in this city. She had been here two days yesterday when she was introduced to a leading citizen. The lady had only been acquainted with the man about two seconds when he told her she would have to have a bath before she left Chatham.

The lady knew nothing about the mineral baths but the man did, he was a stockholder and only meant to advertise the baths. He tried to explain but the lady visitor left him with a bad impression of Maple City manners as displayed by leading citizens.

"Some time ago the City Council had quite a little trouble getting those 'Don't spit on Sidewalk' signs," remarked Archie Skirving, chief detective on the Lake Erie R. R.

"I would like to know what has become of those signs and how many people were prosecuted because of them. I would also like to wonder why the steam roller is never brought down the front street. A beautiful bed of concrete was laid beneath that King street pavement. The roller runners are surely not afraid of the pavement."

A WARNING.

Mister Boer, those Canadians will catch you if you don't watch out.

CONAN VS. HOLMES.

I could not love those, Doyle, so much, loved I not Sherlock more.

WHO IS IT?

There is a King street merchant who was only three letters of the English alphabet in his name. When you put them together, you have Ten and when the name is correctly spelled it consists of seven letters.

OUR CASE DIAGNOSED.

The Satellite is a sort of fungus at the root of the journalistic tree—Banner-News.

I always was under the impression that I got at the root of all matters.

THE BANNER'S EULOGY.

Under the heading "just" the Banner overlooked from our ex-

clusive the Banner-dash-News prints one of the Satellite's alleged jokes. The alleged joke originated with us but we are not proud of it, we have made better, but all the city exchanges favored the witty comment and copied it. This is the pretended joke, "One swallow may not

make a summer, but a grasshopper can make a spring.

BRILLIANT!

No, Anxious Enquirer, the Satellite is not an insect. He is a vegetable.—Banner-News.

THE GRIT BARL AGAIN.

Irish Jack is looked on by the Grits as a good candidate. They think if it's possible to win, his barl do it.

A "COO-COO" FROM THE CRADLE.

"Which it is not my cradle. To produce needless pain By statements that rile, Or that go 'gin the grudge."

—Bret Harje.

A budding literary genius of the Country Crossroads school of journalism has striven to lift himself from meretricious obscurity by unprovoked attacks on one who had dignified him by recognition.

"This Satellite, or Satanite, accuses a representative of this paper of having played the fool. If, inadvertently, a member of this staff temporarily usurped what appears to be the Satellite's sole earthly function, humble apologies are in order. Naturally, and by cultivation, the Satellite is eminently fitted for such a part and should continue to wear the cap and bells."

"The Satellite has mistaken his field. Such senseless belligerency in accordance with civilized customs, and would be more kindly appreciated in Tombstone, Ariz. But the Satellite was in Tombstone, Ariz. he would not be belligerent."

I prescribe Mother Winslow's soothing syrup for teething newspaper infants.

## SPRING DEPRESSION

PEOPLE FEEL WEAK, EASILY TIRED AND OUT OF SORTS.

You Must Assist Nature in Overcoming This Feeling Before the Hot Weather Months arrive.

It is important that you should be healthy in the spring. The hot summer is coming on and you need strength, vigor and vitality to resist a good deal through the winter months, haven't taken the usual amount of exercise perhaps, your blood is sluggish and impure and you need a thorough course of Dr. Williams' Pink Pills.

In other words you need a thorough course of Dr. Williams' Pink Pills. If you try them you will be surprised to note how the vigor you begin to feel, how the dull lassitude disappears, your step becomes elastic, the eyes brighter and a feeling of new strength takes possession of all previous feelings. Thousands have proved the truth of these words and found renewed health through the use of Dr. Williams' Pink Pills.

One of the many is Miss Cassie Way, of Pictou, Ont., who says: "A few years ago I was cured of a very severe and protracted case of nervous prostration, and the use of Dr. Williams' Pink Pills after all other medicines I had tried failed. Since that time I have used the pills in the spring as a tonic and blood builder and find them the best medicine I know of for this purpose. People who feel run down at this time of the year will make no mistake in using Dr. Williams' Pink Pills."

These pills are not a purgative medicine and do not "weaken" as all purgatives do.

Their nature and strengthen from the first dose. They are the best medicine in the world for rheumatism, indigestion, nervous troubles, neuralgia, sciatica, anaemia, heart troubles, scrofula and humors in the blood.

The genuine are sold only in boxes, the wrapper around which bears the full name "Dr. Williams' Pink Pills for Pale People." Sold by all dealers in medicine or sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont.

Innocence is like an umbrella; when once it is lost it is useless to advertise for it.

## KIDNEY-WORRY

Thousands have tested it—and one their lives to it. Sold in six hours.

To keep your secret is wisdom; but to expect others to keep it is folly.

## HOME SPUN IDEAS

OF AN

IDLE FELLOW

Three or four men with a little money and the interest of Chatham in their hearts might even do themselves a very fair turn by securing a small pleasure boat, say to carry 100 to 150 people, to run between here and the lake and the near-by fishing resorts, or even up the river for picnics, etc. Such boats, for instance, as are so conspicuous as small ferries below Niagara. This would be an excursionist and be a jolly outing for lodges and select society parties. It could be made pay.

This would be an opportune time to call together those interested in aquatic sports and organize a club which would undoubtedly give a great deal of pleasure not only to the members, but to the citizens at large, for no more beautiful sight could be desired from the banks of the river than the sight of the gliding boats and canoes with their gaily dressed occupants.

How about the band? I wonder which alderman will make himself a genuine favorite with the whole city by securing for us all, from our fathers to our children, the opportunity of saying, as we enjoy the cool summer evenings on Tecumseh Park, "Oh, listen to the band," or must we all cater to the pocket of the railroad and pay railroad fare and have our shoes full of sand for this privilege.

It seems to me there was something said about an Old Boys' Reunion some time ago. It is a happy idea and will do us all good. But don't let's become old boys before it is accomplished. It can be if those in charge have a few who are not strangers but who are not good at finding their way out of the crystal maze of this city streets, but the placings of signs on the corners to assist them.

If that belt at the electric light plant will stay on long enough for me to write it, I would like to again ask for an alderman who is anxious to make himself popular with the members within our gates and also with a few who are not strangers but who are not good at finding their way out of the crystal maze of this city streets, but the placings of signs on the corners to assist them.

NARROW ESCAPE.

Archie Johnston, well known in Dutton and vicinity, had a narrow escape from being choked to death on Monday evening. He was partaking of his supper at the McIntyre House.

When he attempted to pass a larger piece of beef than ordinary, with the result that it lodged in his throat. When it was noticed that he was choking he was carried out of the dining room and Drs. Cascard and Cameron were speedily summoned. With much difficulty the obstruction was removed, but not too soon for a moment or two the man would have been beyond recovery.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresol tablets, ten cents per box. All druggists.

International Bible Lesson for To-morrow—Peter, Reas and Dorcas. Acts 12, 32-43.

On an apostolic visitation amongst Jewish believers—the Gentiles had not yet been visited—Peter finds his way to Lydia, where lay a well-known bed-ridden paralytic. Peter directs him to Jesus Christ, who makes him whole, and his complete restoration is used of God to bring about a great revival at Lydia and Sharon. At Joppa, near by, they hear of this work of God and send for Peter, expecting to have their loved sister, Dorcas, abounding in good works, who had just died, either buried or restored.

The Lord Jesus restores her. His servant Peter being used here and there and many believed in the Lord, seeing His power over disease and death. Might not many now be turned to the Lord by the same means? If our faith and love were but more simple, would He not use and honor human instrumentality more than at present, and the name of the Lord Jesus be magnified? No wonder that Peter felt quite at home amidst such surroundings, and that he tarried many days in Joppa with his friend Simon, the tanner.

Well and Stylish Clothed at All Times.

Thousands of women in Canada with limited means have discovered the secret of dressing well and stylishly in their homes and for the street.

These fortunate women have found out that, by spending ten cents for a package of one of the fashionable colors of Diamond Dyes, they can re-color any old, faded and dingy dress as to make it appear a new production.

A lady recently affirmed that she had not purchased new materials for dresses for two years. This same lady is always neatly and prettily dressed, because she uses Diamond Dyes.

She has several old dresses, and dresses each one twice a year, and produces as good colors with the Diamond Dyes as can be found in new bought goods. It is a wonderful indeed, the goods. It is a wonderful indeed, the goods. It is a wonderful indeed, the goods.

See to it that you can be effected by a judicious use of the celebrated Diamond Dyes. Would you like to see from your old wool or cotton rag? Send post card with your address to The Wells & Richardson Co., Limited, 300 Mountain Street, Montreal, P. Q.

and you will receive all the new designs to make choice from.
