THE ACADIAN.

WOLFVILLE, N. S., AUG. 24, 1889.

## Local and Provincial.

☞ Now is the time to subscribe for the ACADIAN. If you are getting it now have it sent to a relative or friend.

Public Schools.—The public schools reopen next Monday week.

Visitors.—A large number of visitors have been in our town this week. They are called Fleteh this year.

Sale.—The Methodists of Hantsport intend to hold a Fancy Sale and supper early in October.

Mice.—We hear that field mice are very plentiful and are doing considerable damage to the young fruit trees. Some cats at to destroy them should be taken.

Church Notice.—We have received from Rev Mr Jost the corrected announcement of the Methodist church. It is too late to make correction this week but will appear in next issue.

New Houses.—Mr L. W. Sleep is erecting a neat residence for himself on the new street just east of Sleep's hardware store. There are now quite a number of houses going up in our town and all are progressing well.

Sons of Temperance.—At the quarterly session of the Grand Division of N. S., held last week at River John, Pictou Co., a grant of 300 for the quarter was reported. The order now has 17,000 members with 4,000 children in the Bands of Hope.

Three Trips a Week.—As will be seen by the advt. of the I. S. S. Co., arrangements have been made for three trips per week to Boston during the season of fall travel. In addition to the two trips per week from Annapolis direct, a steamer leaves St. John every Saturday evening immediately after the arrival of the Montreal's from Annapolis.

Better Times.—Ten years ago, says the Times, any number of men could be employed in Moncton for 80 cents a day. Now wages range from $1.25 to $3.00. The majority of the necessities of life—flour, tea, sugar, &c., are cheaper than they were ten years ago. The working-man lives better, is able to purchase more of the comforts of life and in every respect there is improvement.

Manganese.—Manganese of the best quality has been discovered on the property of Mr John Hemmigar, a short distance west of Noel Lake, and about three rods west of the road. Several persons, having large experience in manganese mining have visited the spot, and have pronounced the indications equal to the best in the province. Any person wishing an interest in it, would do well to visit the place, and see for themselves.—*Hants Journal.*

Sunday-School Convention.—The Kings county S. S. Association will hold its annual convention at Canning on Tuesday, Sep. 3d. This Association is composed of pastors of churches and superintendents of Sabbath-schools within the county, and delegates from all Sabbath-schools and S. S. societies, &c. Its object is to give increased efficiency to the Sabbath-schools and to advance by every practical means the cause generally within the limits of the organization. A large attendance is asked.

Canon Partridge, D.C.L., Rector of St George's, Halifax, and Secretary of the Board of Home Missions for the Diocese of Nova Scotia. The evening service will be taken by the rector of the parish. The subject of the evening sermon will be "The distinctive principles of the Reformed branch of Christ's Holy Catholic Church." The offertories (outside the Parochial Envelope) morning and evening will be given to the Board of Home Missions, by which 32 out of 79 Parishes and Missions in N. S. are aided.

Personal Paragraphs.

D. T. H. Read was in Wolfville for a few days last week.

Major Thompson, a former resident of Wolfville, is stopping in town.

About twenty persons left Wolfville yesterday to attend the Maritime Baptist Convention which meets at Fredericton to-morrow.

Mr Robert Gilmore arrived home from Boston on Friday evening last. He intends remaining home, we believe, for a time at least.

Mr and Mrs J. M. Brough, of Sackville, have been visiting in Wolfville at the home of the mother of the latter, Mrs Judson Harris.

Passing through Hantsport the other day we noticed the familiar face of our old friend, Mr H. R. Welton, who is spending a few weeks visiting friends in that place.

We had a call on Wednesday from Mr V. E. Masters who has been spending his vacation at his old home at Church St. Mr Masters has been pursuing a course at Cornell University, and also has been appointed to a position there.

We had a pleasant call on Saturday last from Rev. C. C. S. Wallace, who, with Mrs Wallace, is making his annual visit to his Province. Mr Wallace, after reaching Wolfville, was called back by wire to attend the funeral of a prominent member of his congregation and arrived here again on Wednesday of last week. The Rev. gentleman is looking unusually well and says he found his rest last summer very beneficial to his health. Mr Wallace is a thorough Nova Scotian and has a strong faith in the future of his native Province. His letters, which have appeared in the ACADIAN from time to time, fully demonstrated the fact. Mr Wallace is now pastor of a large Baptist congregation at Lawrence, Mass., where he is deservedly popular.

"HACKMETACK," a lasting and fragrant perfume. Price 25 and 50 cts. Sold by George V. Rand.

Grand Pre Notes.

Rev. Thomas McP., of Somerset, preached in the old Presbyterian church last Sunday evening.

There is to be a concert in Borden's Hall to-night (Thursday) in aid of the new Mission church (Episcopal).

We are glad to notice that Mr John A. Woodworth, who has been quite ill for some weeks past, is getting around again.

Miss I. M. Creighton and Miss Annie Mitchell, of the Halifax public schools have been visiting friends here and returned home to-day.

Take Notice.—If your razor is dull, take it to J. M. Shaw's Barber Shop, and he will put it in first-class order for the small sum of 15c. 10

Picnics.

The White Rock Sabbath school held their picnic at Long Island yesterday.

Gaspereau Division held their picnic yesterday at the "Look Off."

The Presbyterian Sabbath school of this place will hold its picnic to-day at Starr's Point.

The Sabbath schools of Billtown, Cold Brook and Brooklyn St held their picnic on Saturday last. Athletic exercises and other sports were engaged in and the scholars and their friends enjoyed an excellent time.

The Baptist Sunday school picnic, which was to have taken place on Friday last, was postponed till next day on account of the rain. Saturday morning a large number were on hand and at 11 o'clock the picnickers started for Oak Island. The day was pleasant and we are told a very enjoyable time was had. Oak Island is a very nice place for a picnic.

The Sabbath schools of Berwick and vicinity held their annual picnic at Hantsport on Monday last. They passed through Wolfville on the noon freight and returned on the evening train, which was run through to Berwick for their especial accommodation. The attendance appeared to be large and they looked as though they had spent a pleasant day.
