Bowels Almost Paralysed "Fruit-a-tives" Relieved

St. Bosiface De Shawingas, P.Q.

February 3rd, 1914.

"After suffering with terrible Constipation for over 2 years, Fruit-a-tives'
relieved me. While a student at
Berthier College, I became very ill and
was forced to leave. Severe pains across
the abdomen continually tortured me
and my direction became, brashyed. and my digestion became paralyses Some one advised me to take 'Fruita-tives' and at once I felt a great improvement. After taking four or five boxes, I was completely relieved and have never had any return of this trouble." MAGLOIRE PAQUIN. 50c. abox, 6 for \$2.50, trial size 25c. Wave. Russia was said to be in the grip Russia was said to be in the grip of strong dink. This was before the recent proclamation of the Czul forbidding the sale of vodka and all spirituous liquors. A sum of £100,000,000 was spent on spirits during the last forgets to the last forgets ooo,ooo was spent on spirits during the last financial year, $\pounds 9,000,000$ more than the year previous.

The sale of drink is a nationa monopoly, and the government have monopoly, and the government have now come forward with legislation of the most remarkable character for combating the evil. Museums, reading rooms, tea honses, cinematograph shows, magic lantern lectures are all being pressed into the service of reference to the combatter of t the everyday world, and more over, form by the alarmed authorities. Count Witte, who was responsible for the spirits monoply, is now repenting in sackcloth and ashes, and advocates giving \$\int_{10}000,000\$ from the superfluous revenues to Bands of Hope.

During a week of Lenten observance, when all the places of amuse ment are compelled to close, the cinematograph theatres were allowed to remain open on condition that they showed nothing but films illustrating the evils of strong drink.

That's the best news careful housekeepers have had for many a long day. Recognizing the efforts of the "Big Store" to serve the interests of the people, particularly at the present time, such an overwhelming demand was received for our last catalogue—Fall and Winter—that we ran short of them considerably earlier in the season than usual. The result was that for a short time past we have been unable to supply copies to the hundreds of new names requesting it. However, the new catalogue is ready.

If it is possible, it is more complete than ever. A bigger range is listed and the greatest care has been taken in the pricing.

If your name is not on our mailing list and if you desire a copy instead cut out, fill in and mail the coupon below.
