MADE WELL AND STRONG

By Lydia E. Pinkham's Vegetable Compound

Toronto.—I gladly give you my testimonial in favor of your wonderful medicines. Last October I wrote to you for advice as I was completely run down, had bearing down sensation in the lower part of bowels, backache, and pain in the side. I also suffered terribly from gas. After receiving your directions, I followed them closely and am now entirely free from pain in back and bowels, and am stronger in every way.

I also took Lydia E. Pinkham's Vegetable Compound before my baby was born, and I recommend it highly to all pregnant women.—Mrs. E. WANDBY, 32 Logan Ave., Toronto, Ont.

VETO BILL CARRIES BY 124

House of Lords Beaten in First Round of the Battle.

London, Feb. 22 — Premier, Asquith was the recipient of a tremendous ovation from his supporters in the house of commons tonight, when the parliament bill otherwise known as the veto bill, a measure designed to curtail the power of the lords, was passed on its first reading by the government's full majority of 124, the vote being 351 to 227.

The Nationalists first rose in their places cheering wildly and waving their hats. The Liberals members quickly emulated their example.

This exhibition of enthusiasm was repeated a few minutes later as the prime minister quietly left the scene of his victory in his initial action against the lords.

TO WED RICH HEIRESS

Canadian Who Lost Sight in South Africa to Marry Daughter of Seattle Millionaire.

Ottawa, Feb. 25—A marriage of much interest to Canadians generally will be consummated in the Methodist church at Waddington, N. Y., on Friday, March 3, when Trooper L. W. R. Mulloy, the blind hero of the South African campaign, will lead to the altar Miss Jean Munro, daughter of a Seattle millionaire, and herself the possessor of half a million in her own right.

Mulloy will be in the novel position of having never seen his bride, as the romance which culminated in the present engagement only began some years after he received the terrible injuries in the war, which resulted in his complete loss of sight, he having met her in London, England about six years ago.

ANNUAL MEETING OF THE CANADIAN SEED GROWERS ASSOCIATION

The annual meeting of the Canadian Seed Growers' Association is announced for Thursday and Friday, February 16th & 17th. An especially attractive programme has been prepared and all who are interested in crop improvement, whether members of the Association or not, should make an effort to attend at least some of the sessions.

Thursday afternoon, reports will be received from the Board of Directors, the Secretary and the district representatives of the Seed Branch Thursday evening addresses will be delivered by Dr. W. Robertson, President of the Association, and Prof. C. C. James, Deputy Minister of Agriculture, Toronto.

The sessions on Friday will be mostly devoted to a discussion of plant breeding and seed distribution as carried on in Scandinavia, Mr. I. H. Newman, Secretary of the Association, has been at Svalof, Sweden, since last May and has had an exceptional opportunity to collect information on this subject. Mr. Newman will present papers on "Plant Breeding in Scandinavia" and "Systems of Multiplying Improved Seed Stock in Europe." A paper on "Improvement of Fodder Plants by Selection" will be presented by M. O. Maltby, Ph. D., Seed Branch, Ottawa. Dr. Maltby was formerly on the scientific staff at Svalof and has made a specialty in the study of glasses and fodder plants.

Provision has been made for a free discussion on these papers and they should be the means of bringing out much valuable information on the application of European methods of plant improvement to conditions in Canada.

RHEUMATISM CURED TO STAY CURED

Liniments of no Avail—The Trouble Must be Treated Through the Blood.

This article is intended as a talk to the man or woman with rheumatism who wants to be cured. Not merely relieved, not half cured, but actually cured. The most a rheumatic sufferer can hope for in rubbing something on the swollen aching joints is a little relief. And all the while the trouble is becoming more firmly seated. Medical authorities now know that rheumatism is rooted in the blood, and that while rubbing on liniments or hot fomentations may give temporary relief, they cannot possibly cure—you must go to the root of the trouble in the blood. That is why Dr. Williams' Pink Pills cure rheumatism. They make new, rich blood, which expels the poisonous acid, and the rheumatism disappears. There are thousands of former rheumatic sufferers in Canada, now well and strong, who thank Dr. Williams' Pink Pills that they are now free from the aches and pains and tortures of this dreaded trouble. Mr. Joseph Luddington, New Harbor, N. S., says: "Some three years ago my wife was stricken with rheumatism, and suffered so much that we despaired of her ever getting well again. At first she was able to go about, but in spite of all we did for her she grew so bad that we had to lift her in and out of bed, and finally the pains grew so excruciating that we could only move her little by little, with the sheet under her. Finally we were induced to get Dr. Williams' Pink Pills for her. I do not remember just how many boxes she took, but I do know that they were the first medicine that reached the disease, and that she continued to improve until she was again as well as ever, and could do her household work. To us it is simply marvellous what Dr. Williams' Pink Pills did for her, and we are glad to give this testimonial in the hope that it will benefit some other poor sufferer."

Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

"Drop In Any Time."
One of the pitfalls of friendship is the standing invitation. It is easy and pleasant to say: "Come whenever you like, my dear! We shall be delighted to see you at any time; don't stand on ceremony—come whenever you are this way." But let those who receive such invitations beware. It stands to reason that an unexpected visit cannot always be convenient—the hostess is in the midst of something or other and "not fit to be seen," or her husband has rushed home to take her out somewhere and she would rather go than stay at home and entertain her dearest friend, or the luncheon or the dinner is a makeshift—very nice, so far as the family is concerned, but not exactly suitable to set before visitors. The hostess tries to be nice, but can't help showing her vexation or embarrassment. The guest perceives something indefinable in the atmosphere and is accordingly constrained, and every one is uncomfortable. Yet people still go on giving and accepting standing invitations.—New York Tribune.

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as that delicately perfumed, refreshing hair pomade, Bearine. Avoid baldness; apply Bearine to your hair occasionally. All druggists, 50 cts. a jar.
