## HERE AND THERE IN SPORT

Jack Dunn showed no mercy to the Leafs in the series just concluding. The Orioles will be in Toronto the third week in July, and again in the third week in August when the Leafs will have a chance to even up with Dunn and his satellites, especially Babe Parham.

An unusual accident occurred to Pitcher Meredith Huxley of the Peterboro baseball league, when he sustained a broken arm while delivering the ball to the batter. Huxley's arm was broken a couple of inches below the shoulder. The accident was a most unusual one, the large bone in the arm snapping in two as the pitcher delivered the ball. Meredith Huxley is a son of his Honor Judge Huxley, of Peterboro.

Canada's entry in the baseball championship of the inter allied games is being backed to the limit by Dominion fans to beat the American team. The Canadian team, known as the Ripon Training Area Nine, arrived at Paris yesterday. Recently this nine won the Canadian championship by defeating the London Area team 5 to 3. The star of the Canadian team is Pitcher O'Neill of the University of Toronto.

Jockey Clifford Robinson, the sensational Toronto rider, now in Kentucky will ride at Saratoga during the month of August. Robinson had three winners yesterday at Latonia, viz: Pitt II, Madge F. and Sands of Pleasure. He also rode two seconds. St-

The old Argonauts are represented in the Canadian eight which will row in the inter allied service regatta at the English Henley this year. The Double B.M. representative is Sgt. Bob Preston, who will cox the crew. He is an old Argonaut cox who moved to Winnipeg some years ago. In 1914 he coxed Con Riley's Winnipeg crew at the English Henley. He enlisted in 1915 with the 12th Field Ambulance and was three years in France. He had trench fever a year ago November and was married last April to a Scotch girl.

President McCaffery of the Toronto Ball Club left yesterday for New York where he will try and induce President Fultz of the International League to increase the player limit by one man. If he is successful the Leafs will get another outfielder and maybe another pitcher or probably a combination of both, if such is possible.

Harold Boushall of the Classic Bicycle Club, Toronto, finished third in the mile open time 2:06.1-6 seconds and was in the two mile handicap but was disqualified for riding below the black line. The two mile time was 4:01.2-5. He is racing in Philadelphia again tonight and is feeling fine.

## A CHINESE GIRL'S MARRIAGE

A Chinese girl's marriage day is about the most miserable in her whole life. For days beforehand she has been in the hands of "dressers," who soaked her face in hot water, applied powder and rouge dressed her hair elaborately, and early on the wedding morning arrayed her in heavy satin robes, richly embroidered, placing a heavy crown and tinsel veil upon her head. She cannot partake of any food, she must fast all day long. everyone is at liberty to tease her, examine her clothes and generally test her temper. There are clashing of cymbals, playing, singing and much talking. The poor child is quite worn out by the end of the day.

To all this tiresome clamor is added the fact that the bride has never seen her husband.

Of late years a number of progressive young women in China formed a club, the members of which were pledged to commit suicide rather than marry a man of whom they knew nothing. About one hundred young women have actually fulfilled this pledge.
