STILL DEBATING **ELECTION BILL**

Federal House in Session Long After Midnight-As to Seed Grain Purchased.

Ottawa, May 12—At the opening of the House of Commons yesterately at termon, Sir Frederick Borden, on a question of privilege, took exception to an article in the Ottawa Citizen, wherein if was claimed that the minister was withholding a report on the House of Markey, 1907.

Col. Wortlington inquired if the two the Geometric College Commons and the Royal School of Markey College Commons and the Royal School of Markey School and protect the minister was need of Markey School of

In answer to Messis. Borden and Foster, Hon. Mr. Brodeur said the Montcalm would be raised this week. A preliminary examination will be also before daylight on Sunday morning. Officials of the Dominion line have been a heavy fog at the time; although the river reports do not indicate any trouble from that source. It is expected that the Ottawa will reach the flow of the Mornvalle, Both Sob bashels of oats, 49,924 bushels of barley and 576,435 wheat for seed grain but had no information as to the price paid or where purchased, the price paid or where purchased.

The Bondeau mould be raised that the pominion line have of the set had to go to either of these cates had to go to either of these had to go to either of these cates had to go to either of these had to go to either of these bounton on the matter, but conclude that there must have been a heavy fog at the time; although the ext, the greater proportion of which was oats. About 1,500,000 publications and Stratheon at the meeting was held on the set, the greater proportion of which was oats. About 1,500,000 publications and bear level and about 40,000 separate consignments of grain set the constitution of the Liberal organization.

In District No 1, comprising Edmonton and Stratheon the meeting was held on the set, the grain state any tranchise and proportion of which was oats. About 1,500,000 publications and stratheon at the time; although the constitution of the St. Emile and Farmers' Hotel at Legal, of Carl Gizel and J. E. Laurend the proportion of was oats. About 1,500,000

resumed the debate on Avlesworth's election bill, declaring that a man who had a right to vote must look to the Dominion for his Federal vote It was absolutely necessary that the Dominion have the franchise of it own. He declared Dr. Roche, F. D. Monk and Hon. Mr. Foster had all changed their views. They formerly protested against the provincial lists He declared that the act, as he unthat in British Columbia the game of politics was, played fairly. They did not buy votes nor switch ballots, and the lists were fairly honest, though i was true they were loaded with ab

done by judges or barristers appoint ed by judges so that politicians would have nothing to do with the work. tario, and pointed out that the present law was satisfactory, while the Provinces all had Liberal administrations. He pointed out that the Oppo sition was supported by every inde pendent newspaper. He claimed that the Minister of Justice had said bar risters revised the Manitoba list, giv ing the impression to parliament that they were appointed by the Provin cial governments, whereas the judges or barristers appointed by judges, die the revising. He contended that in most cases the registering district corresponded with the polling booth and cases where there were no pos office addresses in the voters' list were rare. The minister had charge that the names of hundreds of dead men and absentees were on the list whereas the lists were annually revis ed and purified. As to the temptatio of impersonation, what about Or

Toronto, May 13.—Mrs. (Senator Melvin Jones and her doughtes, form of 253 names were struck off or added in each of the four constituencies. He complained of the first ability of the provincial elections, an average of 253 names were struck off or added in each of the four constituencies. He complained of the first ability of the formal part of 253 names were struck off or added in each of the four constituencies. He complained of the first ability of the speeches of the western ment they would offer a new scale, which had probably died of native and the coachman, the first ability of the speeches of the western ment they would offer a new scale, which had probably died of native and the coachman was turned down by the finally of the speeches of the western ment they would offer a new scale; which there is considerable complaint. Pain in the head—pain anywhere, has its cause rain is congection, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That ablet—called Dr. Shoop's Headache Tablet—casses blood pressure away from pain centers its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

lation.

If you have a headache, it's blood pressure.

If it's painful periods with women, same cause,

If you are sleepless, restless, nervous, it's blood
congestion—blood pressure. That surely is a
certainty, for Dr. Shoop's Headache Tablets stop
tin 20 minutes, and the tablets simply distribute
the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and
swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain
ts—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend TERMS WITH 6 PER CENT. INTEREST?
