HERE are four riddles for boys and girls with wise heads. We told the artist to draw the pictures to represent the riddles, but he guessed the right answers—and put them in too! So we barred him from the contest and told him to keep it a secret. Luckily, he got the answers all jumbled up, so you won't be any the wiser.

If you can unscramble the jumbled letters beneath each riddle picture and put them in their right order to spell the right words, you will have the right answers. It isn't an easy task. Good thinking, patience and perseverance may find you the answers. Try it.

What Others

Here are the names of only a few of the boys and girls to whom we have already awarded big prizes:

Earl J. Beattie, Surf Inlet, B.C., Chummy Dwyre, Elgia, Ont.

Earnest Fisher, Montreal. Its areasty task. Good thinking, patience and perseverance may find you the answers. Try it.
