Notice to the Public!

Since Re-starting business in 1919 I have been warned that there would be a scarcity of

First-Class Material.

With a view to ensuring a supply to meet my customers' requirements I have during that period made heavy purchases of costly goods to an extent, owing to the general depression, in excess of my needs.

In order to capitalize this stock and incidentally to provide employment for my staff of workmen, I have decided to make a large sacrifice by reducing the price of my Suits and Overcoats until this stock is sold out.

With the exception of a few super-quality Cashmeres and Overcoatings I propose to offer the whole of my stock with

A Discount of from Fifteen to Twenty-Five per cent.

for Cash.

At these new figures profit is practically eliminated and in some instances an actual loss will be incurred. This, however, cannot be obviated if I am to achieve my threefold aim—to dispose of my stock, find employment for my staff, and to induce my customers to renew their normal patronage, which may have felt it imperative to curtail owing to the necessarily high costs.

Trusting to be favored by an early call where your commands will receive my prompt and careful attention.
