### Unsolicited Appreciation

On the 5th inst. we mailed a cheque to an out-of-town claimant who had only recently recovered from a six weeks' disability. On the 12th we received this answer, unsolicited and unexpected:—

"I must indeed thank you and your Company for the prompt and generous settlement of this claim. It speaks volumes for the stability, integrity and square-dealing of the Company you represent."

For 36 years this Company has shown the same promptness, square dealing and stability. All obligations assumed by us are met when due without useless red tape or undue delay.
