News From Springfield

Mr. Ray Clunas is home for the holidays.

Mr. Johnson, the former editor of the Springfield Echo, but now of Bridgeburg, was a Springfield visitor Monday.

Miss Mann, of Dutton, is visiting her aunt, Mrs. Wm. Charlton during the Easter-holidays.

Easter services were conducted in the Methodist church by the pastor. Special music, was rendered by the choir.

On May 4th Sacramental services will be observed in the Methodist church both morning and evening.

There is not much improvement in the condition of Helen Jamieson. Much sympathy is extended for the parents and family.

Mr. Lees, who has been the manager of the Oatman Furniture and Undertaking parlor has resigned. Although Mr. Lee has only been here a short time he has made a host of friends who regret very much to see him leave. Like all business men, Mr. Lee could not please everybody. But from a business standpoint he is hard to beat.

Mrs. George Sitts and daughter are visiting in Woodstock during the Easter holiday.

Mrs. W. B. Purdy, of Aylmer, is spending her Easter holidays with Mr. and Mrs. L. O. Purdy.

Mr. Darwin Ostrosser was in Toronto on business last week.

Mr. Kenneth Moore is home from St. Thomas for the holidays.

Our local fishermen are getting a

fine lot of fish these days the first this season. It appears as if the fish had been held back by "would be" sports farther down the creek with nets all spring.

Mr. Charlie Purdy spent his Easter holidays in Aylmer.

It pays to advertise. You ought to see the large list of names of people who want to know who the lady is that improved so much in health by eating Purdy's Bread. Some list. Purdy's Bread certainly does the trick. Our bread is made up to a standard not down to a price.

It looks as if we were in for a spell of nice weather.

Seeding will be later this year than last.

Adam Empey's team made a wild dash down the main street on Friday heading for home. No damage was done.

Mr. Ivison and Miss Jean Barnby, of Toronto are home for the Easter holidays.

Miss Maud Henry is home for the Easter holiday.

Miss Annie McCallum was holidaying at Belmont over Easter Sunday. Nurse Maddock was home on a flying visit one day last week.

There is not much change in Ryder Cather's condition.

The Ladies' Aid of the Baptist church held a very successful convalescent supper last Thursday evening in the basement of the church.

Helen Jamieson is on the sick list. Marion Moore is on the sick list.

Virginia Chambers is on the sick list.

There seems to be an epidemic among children just now. The Aylmer doctors are doing their best to look after the Springfield patients, but we are certainly badly in need of a resident doctor.

Miss Marion Henry attended the Balkwill-Gilbert wedding in St. Thomas last week.

Some of our farmer friends are starting their seeding. It is to be hoped it will continue so that all can get their spring work done as early as possible.

Mr. H. Clunas liberated six carrier pigeons on Saturday. It was quite a novelty here. It took them about fifteen minutes to get their bearings then they headed straight for Hamilton where they belonged. In a very short time Mr. Clunas got a message saying they had arrived safely.

We would like very much if our readers would bring in any local news. It makes it more interesting. If you have company come to see you, your friends are interested enough to like to know it, and if you are away yourselves it would be appreciated if you would drop in and tell us. It is impossible for your correspondent to know all the local doings. So help him and help the news columns by handing in the news. Thanking you in advance for the same.

Mrs. Austin, of Simcoe is visiting her sister, Mrs. George Shaw.

Mr. Grant Black is home for the holidays.

Mrs. George Grant is home from the hospital and is visiting her husband for a few days.

A good hard fall is often the result of trying to stand on one's dignity.

Some men are locked up for safe breaking and some for safe keeping.

There is no disease quite so contagious as gossip.

Does a Farmer Need a Truck?

THE farmer with a Ford Truck practically lives next door to the market.

He has a choice of markets.

He becomes more independent.

He can market his goods when and where he pleases.

He sells his crop to the very best advantage.

And his hauling costs him less—in labor and money.

It is not only cheaper to haul with a Ford Truck than with a team and wagon, it is quicker, it is easier work.

Consider the time and labor the farmer can save with a Ford Truck. With a team the trip to town takes the better part of a day.

A Ford Truck makes the same trip in two or three hours.

When labor is so scarce, what farmer can afford to waste day after day of his valuable time?

Ford Trucks Complete with Body and Enclosed Cab

Ford One-Ton Trucks are now supplied, if desired, with standard truck bodies in two types, the Stake Body and the Express Body.

In both standard bodies the cabs may be supplied with or without doors, as desired.

See these complete Ford Trucks. Consider the matter from every angle: the cost of feeding horses against the cost of running a Ford Truck; the time you lose on the road; the money you lose by being so far from the best markets. There is only one conclusion you can come to. You will have a Ford Truck.

Price (chassis only) \$750 f.o.b. Ford, Can.
