BUSINESS CHANCES

BLACKSMITH SHOP AND TOOLS, Keyser's Corners, five miles from Arkona. Donald Gray, Keyser P. O. 45c

THERE IS NO PLACE IN THE CIVILIZED world that offers better inducements to enterprising businessmen than the Province of "Alberta." In the centre of this marvellous district is the town of "Stettler," surrounded by the finest body of agricultural land in the world, and peopled by a prosperous, energetic wealth-producing population. The town needs several enterprises immediately. Brick is imported in large quantities. We want a brickmaker. A machinist will have unlimited work. A carriage repair shop is an absolute necessity, and a sash and door factory would pay from the start. Energetic men in the east are requested to correspond with the Board of Trade or Town Council. MAN'S HEART SHIFTED

Toronto, Dec. 8.—Frank Thomas, 23 Hillsboro street, came to St. Michael's Hospital, suffering with severe pains in the region of the heart.

Upon examination, the physicians found that his heart had moved from its normal place on the left side, to the right side next to the lung.

The physicians said that the heart was forced out of position by the pressure of gas formed by Acute Indigestion.

You see, Indigestion is not "a little thing" to be lightly dismissed. It is not only annoying, unpleasant, and painful, but it may become exceedingly dangerous.

"Fruit-a-tives," the wonderful fruit juice tablets, absolutely cures Indigestion and Dyspepsia. "Fruit-a-tives" acts directly on the stomach, increases the flow of digestive juices, strengthens the stomach muscles, insures sound digestion, and by regulating bowels and kidneys, keeps the stomach sweet and clean.

50c a box, 6 for $2 50, or trial size 25c—at dealers or from Fruit-a-tives, Limited, Ottawa.

THE CHARLIE JONES HAD A ROUGH TIME

Tiny Tug Tossed and Tumbled By Erie in Tuesday's Gale.

Port Stanley, Dec. 8. — One of the roughest gales of the season was seen Tuesday on Lake Erie. The waves were dashing over the breakwater and piers. All the tugs stayed in the harbor, with the exception of the Elgin E. and the Charlie Jones. The Elgin E. reached the harbor in safety, but nothing could be seen of the Charlie Jones. The latter tug is of a smaller type than the other tugs, and is owned by Morgan Bros., with Capt. Tom Morgan, Engineer P. Hanson and crew, J. Howell, J. Sterling and Geo. Wilson. A god representation of the village folks were on the piers to get a glimpse of the missing tug. When first sighted it was about eight miles distant. As it approached nearer, the Gordon Brown, Capt. Alex. Brown, prepared to go to the rescue, but when they reached the piers they saw it was unnecessary, for it had almost gained the harbor.

Although they were out about eleven miles they were unable to find their nets on account of the storm. While the rough weather continues the tugs will be unable to lift. Considering the many tons they have brought in lately, they can afford to take a rest.

ENGLISHMAN SUICIDES ON FARM NEAR GORRIE

W. S. Burrows on Farm of Alex. Dow Takes His Life By Hanging.

Mitchell, Dec. 9. — A young Englishman by the name of W. S. Burrows, aged 30 years, and in the employ of Mr. Alex. Dow, near Gorrie, ended his life by hanging.

Mr. Dow was away from home Monday and left the young man at home, but on returning at night the family had not seen him since morning.

Early Tuesday morning his lifeless body was found hanging in a straw chute leading from the mow in the barn to the stable below. It appears that he had taken the trip rope from off the hayfork and fastened it to something, and after placing the rope around his neck jumped or slid down the chute, which was the only place left unsearched Monday night.

Deceased had only been out from England about one year, and for the past six months had been in the employ of Mr. Dow. He was well educated, and was well thought of by all who knew him. No cause can be ascertained as to why he took his life, unless it was that he had become despondent over not receiving any word from his home in England; also that his time had expired with Mr. Dow. However, Mr. Dow told him that he could stay until he got another place.
