

MRS. ZAVITZ HEADS BAPTIST WOMEN'S MISSIONS SOCIETY

Toronto Church Worker Is Choice of St. Thomas Convention.

ASKS CO-OPERATION

Union of Mission Papers and Joint Leadership With Foreign Work Sought.

Special to The Advertiser by a Staff Reporter.

St. Thomas, Nov. 11.—Mrs. E. J. Zavitz, Bloor street Baptist church, Toronto, was elected by the Baptist women's home missionary society, Ontario West, meeting in Center street Baptist church here today, as its president for the ensuing board year.

Mrs. Zavitz, who is a McMaster graduate and a member of the foreign mission, succeeds Mrs. C. J. Holman, Jarvis street Baptist church, Toronto, who has been the head of the society for the past 29 years, defeating Mrs. Holman by a vote of 167 to 131 in a record-breaking convention.

Other officers elected, all of them by acclamation, were: First vice-president, Mrs. J. T. Marshall, Castlefield avenue Baptist church, Toronto; second vice-president, Miss Jacqueline Norton, Toronto; recording secretary, Mrs. H. C. Russell, First avenue Baptist church, Toronto; correspondence secretary, Mrs. John Lillie, vice-president of the society for many years past, who withdrew her name from nomination again for that office, was unanimously elected as an honorary member of the home mission board.

Mrs. Zavitz's election as president may mean a change in the policy of carrying on the work of the society, since, in a brief speech prior to the taking of the ballot, she stated that she favored, first, closer co-operation between the home and general mission boards; second, union of the two mission papers, "The Baptist" and "The Christian," and the ultimate placing of both home and general mission work under one board. Mrs. Zavitz observed that the society for some time past, and almost exclusively during the year just closing, were not necessary in the only way home by God of raising money, and pointed out "that some circles have fallen down this year." She declared that "with prayer should be the raising of funds needed to carry on the society's work."

The delegates rose to their feet as Mrs. Zavitz ascended the platform after being declared elected, and as Mrs. Holman congratulated her successor. Mrs. Zavitz paid eloquent testimony to "the devotion and service rendered by Mrs. Holman to the society," Mrs. Holman in reply, every assistance to the new president. At Mrs. Zavitz's request, Mrs. Holman continued to preside for the remainder of the convention this year.

Discuss Home Missions.

Work among foreigners in Ontario, Russians, Ukrainians, Poles, and other nationalities in New York, and other places was presented before the convention by Mrs. Holman, Mrs. Tann, Robinson street Polish church, Toronto, and Rev. John Adamczyk, newly-appointed missionary to the Polish people at Brantford.

Mrs. C. A. MacBain, Toronto, head of the bureau of literature, reported the sale of 17,157 leaflets, pamphlets, magazines, booklets and books during the past year, or more than double the number sold by the bureau two years ago. Mrs. MacBain reported receipts of \$102,399 for the year, and a detailed outline of the different publications of all departments and all phases of the church and world work.

Mrs. W. L. Kingston, Toronto, superintendent of agents, and Mrs. W. L. Palmer, Toronto, treasurer, reported upon behalf of the visiting missionaries, that 23 churches had sent out 58 comfort boxes to home missionaries during the year, in addition to numerous boxes of clothing and other equipment of various kinds. London churches sent five boxes, while eighteen churches in Toronto sent 35 boxes.

Addresses on home missions, the sessions today discussing primarily home missions, were given at the evening session by Miss Eleanor Simmons of New Liskeard, and Miss S. Garbutt, Saskatoon, home missionaries to foreigners in those respective districts.

At the evening session, reports were presented of work done by the young women's circles. Interesting addresses were given by Miss Eleanor Simmons of New Liskeard, and Miss Abbie Garbutt, of Saskatoon. Tomorrow, Thursday, the convention will revolve itself into the foreign missionary society for the consideration of foreign mission affairs. Mrs. Albert Matthews, Toronto, president, will preside during the day.

Hands were raised at the following places during the year: Strathroy, Georgetown, Walkerton, Heepster, Durville, High Park, Toronto, and Osgoode, Toronto. Circles were organized at the following places: Willowdale, Toronto; Eastern avenue, Toronto; Robinson street Polish mission, Toronto; Dryden, Crozier, Bobacaygon and Galt. Mrs. Cummer referred also to the fact that a world-wide subscription to the Visitor, the Baptist

MARKHAM CLYDE WINS PRIZE AS CHAMPION OF GUELPH FAIR

"Precedence," Bay Stallion Owned by James Torrance, Also Carries Off Clyde Association Prize For Best Animal at Winter Show.

Special to The Advertiser by a Staff Reporter.

Guelph, Nov. 11.—Precedence, a big bay Clyde stallion, owned by James Torrance, of Markham, was adjudged grand champion Clyde stallion at the Provincial Winter Fair tonight, in the presence of a crowd that packed the arena to capacity. The win carries with it the Canadian Clydesdale association prize for the best Clyde stallion in the show. Crescent Rose, from the stables of W. F. Batty, Brooklin, is grand champion Clyde mare, also for the Clyde association special for the best mare at the show. The John Black, premier mare, and the John Black, special for the best mare at the show. The Hewson, owned by Albert Hewson, was awarded the reserve championship.

Besides the judging of the prize-winning Clydes and the awarding of championships, there was a grand championship of prize-winning stock, followed by a tug-of-war contest between teams picked from the city of Guelph and township of Nichol, in the county of Wellington.

The winners in the six-day egg-laying contest were announced tonight. Dr. W. J. R. Fowler, of Guelph, winning with his pen of Plymouth Rocks, which laid 28 eggs out of a possible 30. Robert B. Gubb, was second, with 24 eggs; James McKen, Guelph, third, with 23; Fred Britton, Guelph, fourth, with 22; Robert E. Britton, Guelph, fifth, with 21. The first five winning pens were Plymouth Rock hens.

At a banquet tendered to H. Dent, of Woodstock, winner of the third consecutive year of the dairy test, and presided over by R. M. Holtby, of Port Perry, the speakers included Prof. H. H. Dean, head of the dairy department, O.A.C.; Prof. W. R. Graham, poultry department, O.A.C.; William Whitelaw, president of the Winter Fair, and Robert Stevenson, of the Holstein breeders' association.

The judging tonight resulted as follows:

AMERICAN ARMYMEN KILL RIF CITIZENS

Women and Children Slain by Bombers With French Army Corps.

Special to The Advertiser by a Staff Reporter.

Tangier, Nov. 11.—The pending disbandment of the American escadrille of aviators, organized by the French for service against Abd-el-Krim will end an episode which has apparently greatly embarrassed both the French and American authorities, and which has occasioned much bitter comment.

During my two months in the Rif, I saw bombs three different times by American aviators, although I had no idea that they were Americans until I dined with a group of the fliers in Tangier. By comparing dates, we discovered that I had been under their bombs at Sshuan.

The word "Sheshuan" brings up the whole question of the American fliers in Morocco. Their bombardments of Sheshuan have been the most painful aspect of the war during the past two months.

If this were a war like any great European conflict, there would be no reason to seriously object to the bombardment of a city like Sheshuan. But this is a war in which the opposing forces are nowhere near equalled, and the French aviators in general have no regard of attacking only positions which they had excellent reasons to believe were fortified and garrisoned. This whole case falls down at the first hurdle, and unfortunately it is not the French, but principally the Americans, who executed the high command's orders there.

The French government has taken as its ruling motto, "Today's enemy is tomorrow's friend." Therefore, the French army has been ordered to conduct the war as humanely as possible. The French use no gases and no ultra-modern means of destruction. The French aviators in general have no regard of attacking only positions which they had excellent reasons to believe were fortified and garrisoned. This whole case falls down at the first hurdle, and unfortunately it is not the French, but principally the Americans, who executed the high command's orders there.
