The Capital Range--Good Value at a Popular Price

Do you want a reliable range at a modest price? If so, try the Capital and you will be pleased with your investment.

We strongly recommend this range to all who require a range that will do heavy duty in a reliable manner at a minimum cost. It is well made throughout, has an 18-inch oven with a door that falls forward, providing a shelf on which you can bake a roast, and a cool door latch. The fire box has good heavy linings, a duplex grate for burning wood or coal with equally good results, will take either coil or water front and a drop fire door.

The top is made of good cast iron, is made in three sections, allowing for free expansion and contraction without fear of any part giving way or breaking, and has six No. 8 covers.

The ash pan is roomy and easy to get at to empty and the warming closet is commodious and convenient. At a popular price we consider that this range offers you full value for the money and is an investment that will give you years of solid satisfaction.

Price **\$30.** With high warming closet, **\$40.**
Extra for coils, **\$3.** Water fronts, **\$4.**
