TRADE AT HOME AND BUILD UP YOUR TOWN

Be YOUR pa[illegible]uilding a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in [illegible]bellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapp[illegible] life and strength of your community. To patronize home industres is a duty every citizen owes to himself and those he loves.

"AND A LITTLE CHILD SHALL LEAD THEM."
ARE values in our community SHRINKING? Is your neighboring town getting AHEAD faster than ours? Are we making a POOR bargain? Have WE cause to WISH we had done differently? Then this old family picture (one of the best known in the world) may start us thinking on the right track. HOME values are bound to SHRINK, if our policy of trading is WRONG. We only need to borrow the wisdom of a child to appreciate the value of trading at home. Patronize the Home Merchant.
