

BOTH ELEVENS COLLAPSE

SMALL SCORING BY INTERNATIONAL CRICKETERS

When Sam Wins the Test and Only Scores 28 Runs—The Canadian Follow With Five Less—Joe Patterson Makes Two Good Scores—Gillespie's Remarkable Bowling—Scenes on the Ground.

The first day of the test cricket ground was a scene of gaiety all day yesterday. Persons began to flock to the pretty amphitheatre at 10 o'clock in the morning with lunch baskets in hand. They were there to enjoy a picnic as well as the annual International cricket match between representative eleven of Canada and the United States.

The crowd was fairly estimated at 5000 persons, about one-third being pretty and tastefully dressed ladies. Representatives were present from all Canadian cricket clubs. Old Detroit willow widders were there. Many Philadelphians applauded the good plays.

George Wright, the father of cricket in America, was on the ground. He is yet one of the best players of the Longwood Club of Philadelphia. He was seen in the front row of the Philadelphia baseball manager.

The result of the first day's play scarcely favored America. The wicket was a poor one. The visitors admitted its inferiority. Leigh had put much work on it, but the effect was very hard on the batsman.

Joe Patterson made so many runs. His hitting with Alex Gillespie's bowling were the features of the day. The Hamilton man claimed no less than another century in the first inning, but both Hall and Wilson trundled superbly.

George Patterson put another feather in Rose-dale's cap by dividing top batting honors with Rev. Terry of London. Gillespie retained three-quarters of an hour for the first time. Boyd and Goldingham both showed good form in their spots of nine each.

The fielding was sharp and quick on both sides. Terry's batting was a remarkable feat. Lyon, Boyd, Gillespie and Dickey all fielded sharply. The visitors were frequently applauded for good stops and catches.

The Americans played with their heads. Patterson moved the field with a nod. Seven men were placed on the off side of the field. The crowd rarely trundled to leg.

The bowler expected to see some big hitting but was somewhat repaid by the quick fielding. The best hit of the day was made by Boyd. He lifted one of Gillespie's leg balls over the trees on the east side of the field.

Law made a little stand and Patterson bowled to hit. Before the test was over 22 runs were telegraphed to the tall wicket doggerly, and what appeared like a complete collapse at the other end. The fielding was excellent. The batsmen were not to be taken back.

After lunch the Canucks began their first innings. Capt. Saunders was bowled on 43. He was hit by the fast bowler, who was joined by Rev. Mr. Terry. They hit up 13 between them. The last of his studies, the answer he gave them was "Hats".

cash behind the bat or bang out a three-run investigation. He showed no relation between the two. Harry is a lively wicket-keeper, however.

The visitors were invited to go for a ride on the lake last night. Most of them declined, preferring to rest at the Rosedale. John R. Hall was the busiest man on the ground. He is a model secretary and arranged the details admirably.

This is white ribbon day. Yesterday everybody wore pink badges. They cost only a quarter each.

The Canadian runs were divided yesterday as follows: Toronto 24, London 14, Rosedale 14, etc. Hall was the busiest man on the ground. He is a model secretary and arranged the details admirably.

Tom Stinson was the most conspicuous of the Hamilton contingent. He enjoyed the match thoroughly and believes the Canadians will win.

W. W. Jones is being given credit generally for his investigation. He showed no relation between the two. Harry is a lively wicket-keeper, however.
