TORONTO.
Toronto, Feb. 5.—The run at the city cattle market today was 70 loads, with 1,336 head of cattle, 200 sheep, and lambs, 500 hogs and 108 calves.
With another good run of cattle in the market today prices were well maintained for anything of good quality, but for medium to common quality the market was slow and weaker. There was very little demand for the class of medium light butcher cattle. Besides being of a poor quality generally the class of light butcher cattle, weighing in the neighborhood of 900 pounds, for which there was for a time a very good market, has gone very much out of fashion of late, and the demand now is for a good thick class of butcher cattle anywhere from 1,100 to 1,500 pounds. The export market is quite active and firm.

DEADLY LA GRIPPE.

Canada Again Being Ravished by an Epidemic of This Disease.

Winter after winter Canada is swept from ocean to ocean by an epidemic of la grippe, or influenza. It is one of the most deadliest troubles known to our climate. It starts with a sneeze—and strong man on his back: it tortures him with fever and chills; headaches and backaches. It leaves the sufferer an easy prey to pneumonia, bronchitis, consumption and other deadly diseases. You can avoid la grippe by fortifying your system with Dr. Williams' Pink Pills. You can cure its disastrous after effects with this same medicine. These pills protect you; they cure you; they up-build you; they banish all evil after effects. Dr. Williams' Pink Pills ward off all winter ailments. They cure all blood and nerve disorders. They are the greatest blood-builder and nerve tonic science has yet discovered. Ask your neighbors, no matter where you live, and you will learn of someone who has been cured by Dr. Williams' Pink Pills after other medicines have failed. It is on the unblinded evidence of your neighbors that we ask you to give these pills a fair trial if you are sick or ailing. Mrs. Emma Doucet, St. Eulalie, Que., says: "Words can hardly express my gratitude for what Dr. Williams' Pink Pills have done for me. I had an attack of la grippe which left me a sufferer from headaches and pain in the stomach. I used several medicines but found nothing to help me until I took Dr. Williams' Pink Pills. When I began them I was weak and very much run down. The pills have not only fully restored my health, but I gained in flesh while taking them. I recommend them to all sufferers."

You can get these pills from any medicine dealer or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

BROOKE COUNCIL.

Inwood, Feb. 2nd, 1907.
Council met pursuant to adjournment. Members all present.
Minutes of previous meeting read, and on motion of Mr. Spearman, seconded by Mr. Bourne, were approved.
Letter from Noxon Manufacturing Co. read, re Gaffney's contract. Clerk to reply.
Letter read from John R. Logan, Esq., Solicitor, re claim of Sanford Lucas, that clay thrown out of Watson drain was a damage to his land.
Clerk instructed to reply that Commissioners over drain would see that terms of contract were faithfully carried out.

W. J. Weed, Esq., applied for position of Collector for 1907 at a salary of \$80. Action on appointment postponed.

Mr. Albert McCabe asked that 3-4 sidewalk across the 1st con. and part of the 2nd, be improved by grading and graveling. He thought gratis help could be obtained to do one-third of the work. Action laid over for more definite information.
The question of changing the Township's banking business was then taken up. No extra offers having been received no change was made.

Reeve Darvill reported that the Campbell damage suit had been settled, the plaintiff agreeing to accept the sum of \$200 damages and \$25 in payment of his costs. Each Township to pay one-half.

Kelly—Monroe, that settlement be approved of, and order issued in favor of Hanna, LeSueur & Price for \$312.50, in payment of Brooke's share.—Carried.

Order was also issued for the sum of \$360.25, in payment of damages and costs to McClure and Bryce for the year 1902, in accordance with a settlement arrived at before Referees on the 15th Dec. last. It was also ordered that the Township was "at liberty to assess, levy and collect" this sum from lands and roads assessed by by-law No. 25 of 1894, and by-law No. 9 of 1898.

Stewart Gardiner asked to have a culvert opposite his farm on road closed up, and ditch deepened on south side, to the westward. C. Wilkes offered to dig the 60 rods needed at 15c per rod. Laid over.

Darvill—Monroe, that Council as a Committee of the Whole, be appointed to visit and examine any bridges likely to need rebuilding this year, and to report at next meeting.—Carried.

Spearman—Monroe, that Council do now adjourn to meet in the village of Alvinston, on Saturday, March 2nd, 1907.—Carried.

W. G. WILLOUGHBY, Clerk.

Died in Jail.

On Wednesday last Joseph Wilson arrived in Sarnia from Bickford and applied to the police for shelter and sustenance. He stated that he had been ill for some time and too weak to work or maintain himself and had no home or relatives who would care for him. That a married sister and her husband, named Lumley, had kept him for a few weeks, but had turned him out that day and sent him to town to apply to the police for help. He was given a good dinner and an order for his admission to the jail was given, pending the arrival of the Reeve of Moore township who was notified by letter of the man's condition. Reeve Smith promptly responded to the notice and having satisfied himself that Wilson required care in a hospital, took immediate steps to secure his admission. Wilson was pronounced by Dr. Poussett, who was applied to, to be in the last stages of consumption and could not be admitted to the General hospital here. Reeve Smith communicated with the hospital for incurables a

Toronto and was expecting an answer today. In the meantime death stepped in and removed the unfortunate from the scene of his troubles. No blame is attachable to the Moore township authorities who were unaware of Wilson's condition until Chief Pengelly's letter reached them last Thursday, where upon Reeve Smith lost no time in inquiring into the case and taking steps for the man's admission to a suitable hospital.

An inquest will be held. A jury was impaneled today, and after viewing the remains adjourned till Monday next, when evidence will be taken.

Died in Detroit.

Mrs. Nettie Darvoux, mother-in-law of Commissioner of Labor Malcolm J. McLeod, died yesterday morning at 10 o'clock at the home of her daughter, Mrs. Walter Weiss, 497 Sixth street. She was 65 years old and because of advanced age, was unable to withstand a severe attack of pneumonia.

Coming with her husband to Detroit from Alvinston, Ont., seven years ago Mrs. Darvoux has since made this city her home. Her husband died five years ago this month.
She is survived by one son, Frank Darvoux, of Port Huron, and five daughters: Mrs. Malcolm J. McLeod, Mrs. Robert McAusland, Mrs. Walter Weiss, and Miss Lena Darvoux, of Detroit, and Mrs. Henry J. Wilkinson, of Lansing.—Detroit Free Press, January 22nd.

SUTORVILLE

Mr. Ben Williamson, wife and family, arrived home last week from Rossland, B. C., where they have been residing for the past four years. Ben thinks there could be no greater contrast than between Sutorville and Rossland. In Rossland the mountains are so high that the people become tired looking at them, whereas in Sutorville the topography is so low that one gets the impression that it was the last made and that there was not sufficient earth left to fill it in. Despite this contrast, however, one is reminded of Joshua and Caleb of old who said: "Let us go up and possess it." The once despoiled Brooke swamp is now the equal of any place on God's green earth, and to be convinced just take a drive down the 12th line from 12th sideroad to the town line of Enniskillen. Then you will see palatial brick residences, with bank barns, homing anywhere from 40 to 75 head of cattle, together with other stock, the barn enduring out with the fullness thereof, and the happy contented farmer strutting about with all the ease and grace of an Oriental Nabob. No wonder Jim Davis wears the smile that won't come off, and no wonder for few are privileged to do business in such a prosperous community. You may talk about your banana belt and your wheat farms and cattle ranches of the West, but for genuine peace, progress, plenty and prosperity, give us Sutorville forever and the old Brooke swamp.
