VEGETABLE and ROOT CUTTERS FOR POULTRYMEN.

Will cut all Roots and Vegetables into FINE CHICKEN FEED, leaving the cut feed in shape resembling little angle worms. Solves the problem of green food in winter. They are unquestionably the MOST VALUABLE EGG PRODUCING, MONEY and FEED SAVING MACHINES to be found among poultry food appliances and when we say that the workmanship, finish and material are the very best and ABSOLUTELY GUARANTEE THEM to do all we claim, there is nothing left for you to consider but THE PRICE, which is ONE DOLLAR each and upward. (This cut shows our No. 5 Machine, price \$5.00). Please send for our fine illustrated catalog. It tells all. Inventors and sole manufacturers, EVANS MANUFACTURING CO.,
