W. M. COOPER,
MANUFACTURERS AGENT,

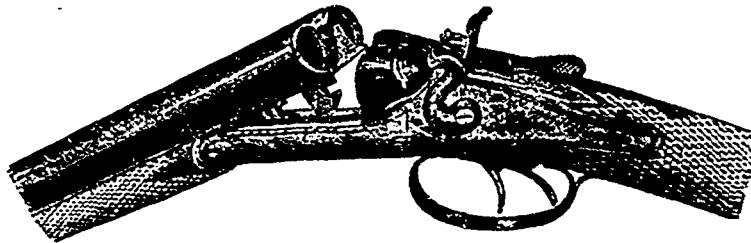

—DEALER IN—

RIFLES, GUNS, AND SPORTING GOODS.

Wm. M. Cooper respectfully solicits a visit to his Show Room, No. 23 Front Street West, Toronto, in which will be found a full line of Guns and Rifles, etc., with other items of interest to those fond of field sports.

Sporting Guns are now so well known in Canada as to require no elaborate recommendation. He has, during his visit to England, on the Canadian Rifle Team, 1879, entered into an arrangement with Messrs. W. & C. SCOTT & SON, for their Sole Agency for the "Dominion of Canada."

He has always on hand a full assortment of Guns of other celebrated makes, viz. W. W. Greener, George Gibbs, Thomas Turner, Williams & Powell, and other lower grades.

TESTIMONIAL TO W. & C. SCOTT & SON.

GENTLEMEN—

The W. & C. Scott & Son Breech Loader which you furnished me is the best proportioned and most effective gun I ever owned or used. Its shooting is perfect, and I have won every contest since receiving it, including my late English matches. You have got my ideas exactly, and I can fully recommend the Scott as the Gun.

To MESSRS. READ & SON,
Boston, U.S.A.

Yours truly,

A. H. BOGARDUS,
Champion of the World.
