PREFACE.

THE REAL ESTATE REGISTER is issued from 134 Hollis street, Halifax. N. S., once a month, and such a system of distribution has been adopted that the book will reach a large number of the class of readers that is desired both by the publisher and by advertisers.

Of course the main object of its publication is to advertise properties that are in the market, either for sale or lease, but the method of distribution employed insures its perusal by hundreds of strangers visiting Halifax and intending to make a longer or shorter stay. Dealers—especially retailers—in goods used by a family will therefore find their money in advertising in the REGISTER.

The numbers of each issue are gratuitously distributed about Halifax, and are placed in the various steamers, packets, and railway lines bound for Halifax and a portion are sent to agencies in the United States, Canada and England, where they will do the most good.

A Real Estate Agency is not a new thing in Halifax, but the business has never before been systematised as by the publisher of the REGISTER. This, fact, and his superior facilities for selling and letting properties is becoming understood and appreciated, both by owners of property and desiring purchasers and lessees, as is proved by the rapid growth of the business. Both parties are aware that a property is represented to be just what it is, and, that no party dealing through the Agency gains an undue advantage over another.

N. B. The attention of householders and others is called to the various trade advertisements in this REGISTER. The parties are all known to the publisher and persons dealing with them may be assured that they are dealing with parties who are believed to be responsible.

A price that Advertisers is known to the world. That which does not is only known to a few who may pass it. This Medium will be found in the Hotels, on the desks of the Wholesale Merchants, the Country Dealers, the Manufacturer and others, and referred to by thousands who patronize them.
