Capt. Cummins' Company won by 5 points Scottish Company being next. Wimbledon regulation.

It will be seen that Captain Cummins carried away the Bugle by 7 points. There was some dissatisfaction experienced after the result of the competition was made known by the friends of the "Scotch" Company; and Capt. Cummins, promptly offered to shoot five of his men against five of that Company for \$25 a side. We have not heard if the challenge has been accepted. The Bugle was won last year by Capt. Barron's Company with a score of 167, being 14 over the score of this year.—*Acadian Recorder*, 24th Aug.

HASTINGS RIFLE ASSOCIATION.

(From the *Belleville Intelligencer*.)

The third annual prize meeting of the Association was begun this morning. The weather, though fine, was not very favorable for high scores, the sun shining brightly and a breeze from the west blowing across the range. There were a considerable number of spectators, amongst whom were mingled the competitors, including several members of the 16th (Prince Edward) Battalion. Dr. Oronhyatekha, was also among the contestants. Capt. Nunn, G. T. R., was field officer for the day.

The first shot was fired by the Mayoress, Mrs. T. Holden, for whom the usual "bull's eye" was scored. The firing after this was spirited, and some very fair scores were made, as will be seen by the appended return of the days firing. The first match was the
