### THE CHURCH IN CANADA.

#### PRESBYTERY OF GLENGARY.

We understand that at a recent meeting of the Presbytery of Glengary Messrs Donald McDonald and Peter Watson, students of Queen's College, were licensed to preach the Gospel. We also learn

that Mr. McDonald has been already called to Lochiel, where there is a very large and attached congregation, and that a call has been presented to Mr. Watson from Williamstown, and that the Presbytery meets for the Ordination and Induction of Messrs. Macdonald and Watson in Lochiel and Williamstown respectively, early in the month.

#### THE SYNOD MINUTES.

We are requested to state that the issue of the Minutes of Synod has been unavoidably delayed, but will be forthwith distributed by the Committee entrusted with their oversight. The attention of the Synod Clerk to the preparation of this Record, and his assiduous care in revising the proofs notwithstanding his extremely feeble state of health, are worthy of all commendation.

#### THE TESTIMONIAL TO THE SYNOD CLERK.

We would urgently call upon ministers to remit their contributions to this fund without delay. We would also request them to bring the matter under the attention of their Sessions, and invite their contributions to the Fund. Liberality in the additions to this effort to acknowledge the services of a faithful servant of the Church is very desirable, and the afflictive circumstance of the failing health of the Clerk commends the action of the Synod peculiarly to the sympathies of all who desire

to recognize the faithful services of a meritorious officer of the Church.

#### QUEEN'S COLLEGE.

We request of our readers an attentive perusal of the Address of the Moderator of the Synod in relation to Queen's College. That Institution is of vital importance to our Church and should receive a steady and generous support. We trust that the Building Fund will be forthwith placed on such a footing as will relieve the College authorities from the pressure which the purchase of the Buildings entailed upon them. The College will open for the business of the Session on the first Wednesday of October (October 1st.)

#### REPORTS OF THE DELEGATES TO NOVA SCOTIA AND NEW BRUNSWICK.

We direct attention to the Reports in other columns of our last year's Deputations to Nova Scotia and New Brunswick, as presented to the recent meeting of the Synod. They will amply repay perusal and furnish satisfactory evidence of the great advantages resulting from such intercourse as has been now commenced and reciprocated by the Synods in the Lower Provinces. We have no doubt the forthcoming Report of Dr. George, the Delegate from this year's Synod, will prove as interesting and instructive. We trust the interchange of Delegates will be persevered in.
