

tence, could all the youth of the land be taught to love labor, or the study of those sciences which insure the acquirement of a fund of useful knowledge, instead of the idleness, dissipation, and the frivolous accomplishments of fashionable society! How many farmers' sons, who, by improper associations, became indoctrinated with the idea that farm labor is menial and degrading, have left the 'Old Farm at Home,' and after a round of dissipation, are now reaping the reward of these evil influences in the Penitentiary. Had there been School Libraries, composed of judiciously selected books, these same felons or criminals would undoubtedly have been honest intelligent, and industrious members of society. —Ohio Farmer.

WANTED.

A PROPERLY QUALIFIED TEACHER FOR THE ANNAPOLIS GRAMMAR SCHOOL.

THE Trustees feel sanguine in recommending this School as offering an encouraging field for a gentleman wishing to devote himself to the cause of Education, particularly to one so circumstanced as to be able to undertake a Boarding School.

The sum of £25 is granted yearly by the Province to this School, and the Trustees are induced to think that from £60 to £75 in addition thereto, arising from fees, might be rolled upon.
