

# In Anticipation

---

The variety of Fancy Novelties submitted by us for the consideration of the trade last year was so generously appreciated that we have put forth our utmost efforts to select a line of

## Fancy Goods for Import

for the present season that will stand unrivalled for novel and dainty effects in exclusive designs.

We respectfully invite the trade to give our samples consideration before making their arrangements for the season

1904

---

Samples are now in preparation—ready shortly.
