By **DR. GOLDWIN SMITH.**

"There is but one verdict to pass—it is the work of a master; but one judgment to pronounce—admirable."—*London Daily Mail.*

"To be ranked with the best historical works extant. Without any attempt at eloquence, the style of the work is brilliant. Its short sentences contain the compressed thinking of pages. Its narrative flows on with ceaseless charm of manner and poise of judgment. It is a work that can hold its own in any comparison."—*The Chicago Tribune.*
