

Never Put Off

Till to-morrow, to-day's duty. If you have a Cold, Cough, Bronchitis, or any form of Throat or Lung disease, do not neglect it. Ayer's Cherry Pectoral, if promptly taken, will speedily relieve and cure all ailments of this character.

Two years ago I took a severe Cold, which, being neglected, was followed by a terrible Cough. I lost flesh rapidly, had night sweats, and was soon confined to my bed. A physician was called, but the medicine he prescribed afforded only temporary relief. A friend advised the use of Ayer's Cherry Pectoral. I began taking this medicine, and before finishing the first bottle was able to sit up; four bottles effected a perfect cure. — Geo. W. Dick, Newton, Mass.

In several cases of Bronchitis, caused by exposure to damp and cold weather, I have used Ayer's Cherry Pectoral. It is an anodyne expectorant of great value and usefulness to patients of all ages. Its certainty of action, and its safety as a household remedy, are forcible arguments in its favor. No other cough preparation does its work so quickly and satisfactorily. — C. E. Hoyt, M. D., New Orleans, La.
