

It was a Canadian road, and the brakeman had called out in a sonorous voice, "Teaswater!" when an argumentative passenger got up and exclaimed excitedly, "It's a lie!"

It is apparent to a parent that a great many children get on the wrong track because the switch is misplaced.

"I declare, mother," said a pretty little girl in a pretty little way, "it's too bad. You always send me to bed when I'm not sleepy, and you always make me get up when I am sleepy."

DE LA SALLE INSTITUTE, Nos. 12, 20 & 22 Duke Street, TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS

This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.
