THE SUBSCHIBERS take great pleasure in announcing to the Catholic Public, that they have made arrangements with Messrs. Burns & Lambert, the English Publishers, for dupli-cate setts of the Stereotype plates of the following works :----

THE POPULAR LIBRARY

Of History, Biography, Fiction, and Miscellaneous Litera-ture, a series of works by some of the most eminent writers of the day; edited by Messrs. Gapes, Northcote, and Thomp-

son. The Popular Library is intended to supply a desideratum The Popular Library is intended to supply a desideration which has long been felt, by providing at a cheap rate a series of instructive and entertaining publications, suited for general use, written expressly for the purpose, and adapted in all re-spects to the errournstances of the present day. It is intended that the style of the works shall be such as to engage the at-tention of young and old, and of all classes of readers while the subjects will be so varied as to render the series equally acceptable for Home use, Educational purposes, or railway

The following are some of the subjects which it is proposed to include in the Popular Library, though the volumes will not necessarily be issued in the order here given. A large portion of the series will also be devoted to works of Fiction and Entertaining Literature generally, which will be inter-spersed with the more solid publications here named :-

Trans-lated from the French by Mrs. J. Sadlier.--Picture of Chris-tian Heroism; with preface by the Rev. Dr. Manning. The greatest want of the present day is books combining instruction and amusement, which Catholic Parents can safely place in the hands of their children. It now rests with the Catholic public, whether that want shall be supplied or not. We intend to issue the first volume of the Popular Library on the 15th of February, and will continue to issue a volume every month, for one year at least, and if we are only se-conded in our efforts, we will continue the Series for years to come. But it depends entirely on the encouragement we receive. One thung is certain, that it is the duty of Catholics to encourage a project like this; by doing so they will enable us to multiply useful and entertaining books at a moderate price. D. & J. THE GREATEST

MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY; OF ROXBURY,

HAS discovered in one of our common pasture weeds a re-medy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple: He has tried it in over eleven hundred cases, and never fulled except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. miles of Boston.

Two bottles are warranted to cure a nursing-sore month. One to three bottles will cure the worst kind of pimples on

the face. Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker in the month and stomach.

Three to five bottles are warranted to cure the worst case of ervsipelas. One to two bottles are warranted to cure all humor in the

eyes. Two bottles are warranted to cure running of the ears and

blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cute the worst case

of ringworm. Two to three bottles are warranted to cure the most des-

perate case of rheumatism. Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will care the worst case of seroidal. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a contried all the wonderful medicines of the day, as that a com-mon weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums nor ha's about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has al-ready done some of the greatest cures ever done in Massachu-setts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle. one bottle.

To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the func-tions of nature, it will cause youry singular feelings but use quite easy; join where there is any derangement of the func-tions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the con-trary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomi-ums of it that ever man listened to.

I made diligent enquiry for it in this section of the country, but could find none of it. I had counsel from many Physicians, and tried all the kinds of Medicine recommended for my aliment, but found nothing to give relief excepting smoking Stramo-neum, which afforded only temporary relief; but I had the good luck of getting two bottles of your Pulmonie Syrup; and I can safely say that I experienced more benefit from them two bottles than all the medicine I ever took.
