

QUEEN'S OWN REVOLVER ASSOCIATION.

The annual meeting of the Q. O. R. of C. Revolver Association was held on the evening of April 21st, at 42 King street E., and was attended by a large number of enthusiastic revolver shots. The Secretary-Treasurer read his annual report, showing the Association to be in a most flourishing condition. The past season was marked by many pleasant "shoots" on the President's private range, Kew Beach. Many challenges were received, all of which were accepted; but when the appointed day arrived our opponents on every occasion failed to put in an appearance, and we now claim the championship of Canada as revolver shots. If any of the infant associations lying loose about the country desire to dispute this assumption, the remedy is in their own hands.

The Association is pleased to say that they were successful in having their standard targets adopted by the D. C. R. A., the P. Q. R. A., and other associations, and that their "crack shots" were heard of at all the principal prize meetings last season. Their last shoot was in competition for a very valuable list of prizes at the annual prize meeting of the Q. O. R., and they succeeded in carrying off all the principal prizes.

There is one great "stumbling-block" in the way of the Association at present, and that is the ammunition question.

The Government does not manufacture any revolver ammunition 32 44, and yet when the Association asks to have the duty remitted it is told: "You should buy ammunition of our own manufacture." Why is this? If we are not mistaken it would be policy to admit this description of ammunition free, and thus create a necessity for revolver ammunition, which could eventually be made at the Government's factory, Quebec.

By a unanimous vote it was decided that the MILITIA GAZETTE be the official organ of the Association, and that clause 3 of By-laws be so altered as to open the Association to all active militiamen and ex-members of the Q. O. R. of C.

The following will hold office for the year:—President, H. M. Pellatt; Vice-President, M. S. Mercer; Secretary-Treasurer, J. O. Thorne, 84 Yonge street.

Executive Committee—W. Harp, N. B. Sanson and R. Rennie.

Emperor William, in a speech at the Marine Academy at Kiel, said that the navy would have to assume the chief offensive role in the next war, and must endeavour to annihilate the enemy by a grand coup. The duties of the navy would resemble those of cavalry on shore. The next German military manœuvres, he said, would be conducted on the strategic principles of the English system, which alone resembles warfare.
