Mercantile Summary.

THE Three Rivers Board of Trade has
set in motion a project for the building
of an electric line from the city to Grand
Mere.

THE employees of Epps, Dodds & Co.,
St. George, N.B., are on strike, and a
general strike of the granite workers is
anticipated.

THE New Vancouver Coal Company
has beaten all previous records on ship-
ments of coal, having shipped 20,000 tons
in five days last week.

SAYS the Chatham World: "The bark-
ing mill of the Maritime Sulphite Fibre
Co. has been shut down frequently of late
on account of trouble with the con-
veyors.

THE Anchor line steamer "Bavaria," for
Liverpool, recently carried, according to
the St. John Sun, the largest cargo of
lumber ever moved from St. John. It
consisted of 500 tons of birch timber, 100
tons of pine, and some 1,700 standards of
spruce deals. Taken altogether, it is
equal to over 2,000 standards of deals.
The "Bavaria" is a ship of 3,005 tons
register.

It is not a slight compliment to Cana-
dian mechanical skill that the contract for
two engines, of 230 horse power each,
has been awarded by Mr. F. S. Pearson,
of New York, consulting engineer for the
Cuban Electric Co., to the Robb Engineer-
ing Co., of Amherst, N.S. These en-
gines are for an electric railway from
Regla, on the opposite side of the harbor
from Havana, to Guamacoa, which is
about eight miles distant.

WORK has been commenced in the file
works, recently established in connection
with the Ottawa Saw Works at the Chau-
diere. Complete machinery has been
placed in position, to make files of all
sizes and styles. Although but ten men
are at work now, the number will be in-
creased later on when the work is in full
swing. Five file making machines have
been placed in position, and experts
brought from other outside works to
operate them.

THE bakery stock of J. S. Morrison, at
Vancouver, B.C., has been seized, under
judgment.—J. D. Ramsay has purchased
the assets of A. E. Sommerfeldt, general
storekeeper, Sumas, Man., at a discount
of 35 per cent., and the latter has assigned.
He owes about \$2,300, and has a similar
amount of assets, which will probably pay
creditors 60 per cent.—J. Boisvert, gen-
eral storekeeper at Laurier, whose troubles
we noted last week, has assigned to S.
A. D. Bertrand.
