NEW FEATURE—It is universally admitted that with the exception of intentional fraud, all the disputes and litigations of Fire Insurance have arisen from an erroneous idea of the nature, bearing and particulars of the contract. To make the particulars, etc., clear to the insured, we return to him attached to his policy, a complete copy of his application, survey and diagram, enabling him to see at any time the full nature of his contract with the Company, as it is important the insured should have an instrument in his possession as well as in the possession of the Company, to which he can refer at any time and ascertain if he has made any change in his premises to void his policy should a loss occur.
