PLANNING to BUILD

I want you to write for my new Book **"COUNTRY AND SUBURBAN HOMES."** It is especially prepared for prospective home builders and is full of valuable, practical and useful information on the subject. Each residence is illustrated by half-tone plates of the original showing exactly how the building will look when completed. There are complete descriptions of each home and accurate estimates of cost. This book will cost you nothing, but will be worth a great deal of money to you. Write today. **I prepare at low cost special designs and plans for new work or for remodelling old buildings.**
