

THE Dartmouth Ropework Co.,

HALIFAX, N.S.

**Farmers,
Note these
Facts.**

We Manufacture the cheapest and best brands of Binder Twine in the World. Our Twines are free from New Zealand fibre (or Wild Flax) now being offered as Manila, although easily distinguished from our Manila Twines by its general roughness and color.

To avoid trouble in the field, buy your Twine of our Manufacture. See that our name and brand is upon every ball.

Our Composite Silver must not be confounded with ordinary Jute twines, it being a Patented Composition Twine, manufactured for the express purpose of binding grain, has been thoroughly tested, gives absolute satisfaction, is cheaper than any other twine offered, runs an average of 530 feet per lb. and retails at 10 cents a pound. Being free from tow, and as strong as most manila in use, it works freely on any make of Binder.

BOYS FOR FARM HELP.

The managers of DR. BARNARD'S HOMES desire to obtain good situations with farmers throughout the country for the boys they are sending out from time to time from their London Homes. There are at present nearly 3,000 children in these Homes, receiving an industrial training and education to fit them for positions of usefulness in life; and those who are sent to Canada will be selected with the utmost care, with a view to their moral and physical suitability for Canadian farm life. Farmers requiring such help are invited to apply to MR. ALFRED B. OWEN, Agent Dr. Barnard's Homes, 214 Farley Avenue, Toronto.
