

## ZIMBABWE, ANGOLA, BOTSWANA, MALAWI MOZAMBIQUE, ZAMBIA

The Canadian High Commission in Zimbabwe is responsible for Angola, Botswana, Malawi, Mozambique and Zambia. Each of these countries has adequate supplies of fish from their own resources or can trade with neighbouring countries. Given the shortage of foreign exchange and the balance of payments problems throughout the region, imports of fish on a commercial basis are not permitted. Botswana is the sole exception, but, the tiny population of this landlocked country rules out serious consideration.
