

Table 20

Factor 3

ECONOMIC CHANGE AGENTS

	<u>POSITIVE ASSOCIATION</u>	<u>NEGATIVE ASSOCIATION</u>
<u>DEMOGRAPHIC</u>	Residents of Quebec	Residents of Atlantic Canada, the Prairies and B.C.
	Women	Men
	\$20,000-\$30,000	\$40,000-\$50,000
	Less educated	
	Francophones	
<u>POLICY ISSUES</u>	Non-nationalist	Cultural nationalist
	Personally benefit a great deal from removal of barriers	
	Negotiations very urgent	
<u>SUPPORT/OPPOSITION TO FREE TRADE</u>	Free trade good for Canada	

Women, and the downscale, those of low socio-economic status, along with those living in Quebec tend to agree that Canada's economic basis must be restructured. This group also sees free trade as a good idea for Canada and an agreement an urgent priority for the Canadian government.
