ORDERS IN COUNCIL—DEFENCE PRODUCTION AND TRADE AND COMMERCE

Mr. Diefenbaker:

1. Have any orders in council been issued at the instance of both the Departments of Defence Production and Trade and Commerce, or either of them, that have not been published, and are not to be published in the *Canada Gazette*, nor made public?

2. If so, how many?

Mr. St. Laurent: I had intended to answer this question orally, but in the absence of the hon. member I think perhaps it had better stand. It provides for no limitation as to time, and I am sure the hon. member does not want to impose the obligation of referring to records since confederation in order to tabulate the number of orders in council. If it is allowed to stand I should be glad to give the hon. member the information he actually requires.

Mr. Speaker: Stand.
