

STAINLESS STEEL TABLE FLATWARE

For the twelve-month periods ending December 31st of the following years the quotas are:

<i>Year</i>	<i>Quantity</i>
1967	964,000 dozen
1968	1,032,000 dozen

This quota applies to stainless steel table knives, forks and spoons of which the length is under 26 centimetres and of which the handles are made of metal.

Note: The Japanese officials reserve the right to propose that at the end of 1968 the possibility of lifting the restraint be scrutinized.
