

November 21st,
1935.

Dear Mr. Savage,

It would always be a pleasure to hear from any friend of my friend Philip Priestman, but for its own sake I welcome your kind word of welcome to Canada.

I shall keep my eyes open for your son in case I come across him in the rather large crowd of Arts men. I hope that he is doing well.

Yours sincerely,

Hugh Savage, Esq.,
Duncan, B. C.
