assets about \$5,000. There is some intimation
of a compromise at 50 cents in the dollar to
T. R. Jones & Co., of St. John, N.B., if they
will release the Bill of Sale they hold of entire
stock, and at 25 cents, to the unsecured
creditors.

We regret to learn that the Thomson &
Williams manufacturing Company (limited) of
Stratford, Ont., with a capital subscribed of
\$100,000, and \$90,000 paid up, have been
obliged to seek indulgence at the hands of
their creditors. A 40 cents cash compromise
or a three years extension is said to be the
required remedy.—The estate of Langford &
Garrett of same place, sewing machines and
shirt factory, is in the hands of the sheriff and
will be sold.

So rapid and important has been the growth
of Manitoba that the people of that Province are
anxious for an enlargement of the boundary.
It is suggested that the eastern limit should be
extended to the Ontario line and the Western

other advantages to be derived, the burden of
local administration, which is being complained
of, would be distributed among a greater
number of people. It is probable that the mat-
ter will come up for discussion at the next
session of Parliament. The population on
the Little Saskatchewan, on the other hand, are
not disposed to suffer any encroachment on
their autonomy.

Anoxia infirmity in the boot and shoe trade
has come to the surface this week, in the per-
sons of Canon & West, wholesale manufactur-
ers, this city. The present firm has been in
business some two and a half years, succeed-
ing A. Canon of the concern, who began in
1874, and had been successful in a small way.
Mr. West was formerly in the tobacco trade.
The liabilities of the concern are about \$20,000,
divided among some twenty-eight creditors;
assets not definitely ascertained, but will reach
about \$12,000 to \$15,000, supposed to be in

Adam Young, St. John, N.B., dealer in stores
and tins, has assigned; O. M. Muirhead, dry
