It is in such Associations as yours are founded that so principles of mutual

help and support which bind communities together.

The following is an extract from a letter received from His Excellency

the Governor General of Canada:

"They also teach the importance of laying by during the years of youth, health

and energy, a provision for old age or poverty, and to those left behind in dis-

tress, and thus impart provident habits amongst a large section of your fellow-

subjects. Your Association has, therefore, my earnest wishes for its welfare,

and I trust its branches will continue to spread in all parts of the Dominion.
