12.—When receipts are required, *Duplicates ready for signing* must be furnished by the consignor, in the form of which copies may be had at the offices of the Company.

13.—When articles are designed, after transportation upon this Railroad, to be forwarded by some other Company or an individual to their final destination, the duplicate receipt furnished by the consignor, must specify the same, and the article be marked accordingly. This Company will not be responsible for such articles after they are delivered to such other Company, by whom they are to be forwarded.

14.—All goods and merchandise will be at the risk of the owners thereof while in the Company's Warehouses—except for such loss or injury as may arise from the negligence of the Agents of the Company.

15.—All articles will be at the risk of the owners, at the several *Way Stations and Platforms* where Depot buildings have not been established by the Company, from the moment such articles are delivered as *directed or marked*; or until taken into the cars as the case may be.

16.—All articles of Freight, arriving at their place of destination must be taken away within twenty-four hours after being unladen from the cars—the Company reserving the right of charging storage on the same, or placing the same in store at the risk and expense of the owner, if they see fit, after the lapse of that time.

17.—All produce and other commodities must be removed from the Company's premises within 24 hours after their arrival, or be stored at the risk and expense of the owner.

20.—GUN POWDER and FRICTION MATCHES will not be taken on any terms, and if found secreted among other goods will be forfeited or destroyed, and the consignor, in case damages result from there being so secreted, will be held liable therefor.

22.—CARRIAGES, when not boxed, will be taken only at owners risk; and they must be securely protected or covered, so that there will be no liability to injury by fire, weather, or chafing. The Agents of the Company are required not to receive them if they are not thus protected, unless the owner agrees in writing to take all the risk.

23.—The weight of CARRIAGES, WAGONS, and SLEIGHS of all kinds, when well boxed, will be estimated 100 lbs. for every 8 cubic feet of space occupied.
